POISONOUS IF SWALLOWED.

FOR INDUSTRIAL OR BUSINESS USE ONLY.

DIRECTIONS, continued

FOR FOOD PROCESSING: Cover or remove all food before applying above treatments. Thoroughly clean all exposed food processing surfaces before treating. Apply only when plants are closed to customers. Do not enter treated areas. Extinguish open flames before starting. Ventilate the area after treatment is completed. Remove pets, birds, and even fish aquariums before starting.

Do not breathe spray mist. Wash hands, arms, and face with soap and water after handling and before eating or smoking. Wash all contaminated clothing with soap and water before reuse. Wear a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under E.P.A. approval at 30 C.F.R. Part 11.
