

GENERAL INFORMATION

This concentrate after mixing in water, is non-volatile, non-flammable, and non-corrosive to metals except aluminum. Do not use with aluminum spray nozzles. This concentrate is an effective general herbicide for use on non-cropland areas for control of brush and many annual and perennial weeds, and is particularly useful for control of perennial grasses. It is a water soluble liquid to be mixed in water and applied as a spray; this concentrate may also be applied undiluted for basal (soil) treatment of brush. Effects are slow to appear and may not become apparent until this product has been carried into the root zone of the weeds by moisture. The degree of control and duration of effects will vary with the amount of product applied, soil type, rainfall and other conditions.

IMPORTANT: Injury to or loss of desirable trees or other plants may result from failure to observe the following: Do not apply, or drain or flush equipment on or near desirable trees or other plants or on areas where their roots may extend or in locations where the product may be washed or moved onto contact with their roots. Do not use on lawns, walks, driveways, tennis courts, or similar areas. Prevent drifts of spray to desirable plants. Do not contaminate domestic waters. Keep from contact with fertilizer, insecticides, fungicides and seeds. Thoroughly clean all traces of this concentrate from application equipment immediately after use. Flush tank, pump, hoses, and boom with several changes of water after removing tips and screens (clean these parts separately).

STORAGE AND DISPOSAL

1. Prohibition - DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL. CLEANING OF EQUIPMENT AND OPEN DUMPING PROHIBITED.
2. Pesticide Disposal-Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
3. Container Disposal-Metal Containers-Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic Containers- Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE OF WARRANTY: The manufacturer makes no warranties expressed or implied concerning the use of this product other than those indicated on the label. Purchaser assumes all risks of use and handling of this material when such use and handling, are contrary to label instructions.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes. For use on plants in non-crop and non-timber areas only. Not for use on crops, timber, or other plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes. This product is a liquid non-selective general herbicide which is designed to be used where control of all vegetation is desired. It produces rapid top kill of all succulent vegetation. Translocation and root absorption produce extensive root kill of weeds and provides long term control. For easy application and better penetration dilute one gallon of concentrate to 10 gallons of water and apply as directed below. Sufficient moisture from rainfall or artificial means is necessary after treatment to carry the product into the root of the weeds. This product is recommended for non-crop areas such as RAILROADS, HIGHWAYS, PIPELINES, TANKS FARMS, LUMBER YARDS, FENCE ROWS and PARKING LOTS. This concentrate can be sprayed or sprinkled on. If sprayed, direct the spray to the soil at the base of the weeds and adjust for coarse spray to prevent drifting. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes or do not use same equipment for other purposes. Do not reuse this container for other purposes.

ANNUAL WEEDS AND GRASSES: Such as Crabgrass, Foxtail, Ryegrass, Wild Oats, Ragweed, Broomgrass, Lambsquarter, and similar weeds. Use 10 gallons of the diluted concentrate per 750 square feet (400 to 600 gal/acre).

PERENNIAL WEEDS AND GRASSES: Such as Smooth Brome, Quackgrass, Bluegrass, Purple-Top, Dandelion, Goldenrod, Wild Carrot and similar weeds. Use 10 gallons of the diluted concentrate per 400 square feet (900 to 1,000 gal/acre).

HARD TO KILL PERENNIAL: Such as Johnson Grass, Bermuda Grass, Dallisgrass, Nutgrass, Saltgrass, Dogbane, Horsetail, Bracken Fern and similar weeds. Use 10 gallons of the diluted concentrate per 175 square feet (2,200 to 2,400 gal/acre). Use higher levels of dosage on absorptive soils.

RETREATMENT: Apply 10 gallons of the diluted concentrate per 750 square feet when Annual Weeds and Grasses reappear.

DO NOT RE-USE CONTAINER. KEEP CONTAINER CLOSED WHEN NOT IN USE. WARNING! HARMFUL OR FATAL IF SWALLOWED. CAUSES EYE IRRITATION. MAY IRRITATE NOSE, THROAT, AND SKIN.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS: May be fatal if swallowed. May be absorbed through skin. Concentrate may cause skin damage. Use waterproof gloves and face shield or goggles when handling concentrate. Do not breathe spray mist. Do not get in eyes or on clothing. Wash thoroughly after handling. Avoid contamination of food and feed. Keep out of reach of domestic animals. Do not use on humans, household pets, or livestock. Keep children and pets off treated areas until material is washed into the soil and grass is dry.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from treated areas. Do not apply directly to water except as specified on this label.
