UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

Mr. M. E. McLane
Patterson Green-NE Co.
Division of Curry-Cartwright, Inc.
1331 Union Ave.
Kansas City, MO 64101

Dear Mr. McLane:

DEC 15 1983

Subject: Methusene-sulfonate
Crabgrass Killer
EPA Registration 2169-93
Nutgrass Spray Herbicide
EPA Registration 2169-251
Crabgrass-Ballingrass Control
EPA Registration 2169-302
Nutgrass & Chickweed Killer
EPA Registration 2169-303
Submission Dated December 1, 1983

The amendments referred to above, submitted in connection with registration under FIFRA are acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. For registrations 2169-302, 303 the claim for maintenance of drainage ditches should read drainage ditchbanks. For this use, add the statement - Do not contaminate waters used for domestic consumption, or by animals, wildlife and aquatic life, or water used for irrigation.
- b. The reference to keeping children and animals off treated areas should be modified to show xxx spray has dried and material has been washed into the soil.

We have no objection to the STORAGE AND DISPOSAL section as proposed. We would also not object to combining the references to container disposal such as: Do not reuse this container. Rinse thoroughly and securely wrap in several layers of newspaper before discarding in trash.

INSTRUCTIONS
Keep all insects from entering the container. Do not use this product on lawns or other areas where it may be necessary to permit grass to grow. Do not apply to St. Augustine, Centipede, or Carpetgrass. May discolor bermudagrass and fescue.

CRABGRASS, FOXTAIL AND CICKWEED—If suitable test when seedlings are small or less than 2 inches tall to get the most effective kill. Two sprays 7 to 10 days apart may be necessary to get good control and follow up sprays to get newly germinated crabgrass or chickweed. On newly seeded lawns do not use until after the third mowing.

Be sure to read entire label and follow directions carefully.

CAUTION: Harmful if swallowed. Avoid contact with skin or prolonged breathing of spray mist. Avoid contamination of food or feedstuffs. Keep away from children and domestic animals. Keep Crabgrass off treated grass. Wash hands after using.

Keep children and animals off treated areas until after a rain or the next morning.

ANTIDOTE: If taken internally induce vomiting and call a Doctor at once.

NOTICE: Seller's responsibility is limited to delivery of certain and conformance to the liability for use, storage and handling and no warranty is made under these conditions.

Delete the above copy and substitute the attached copy for Precautionary Statements etc.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid contact with skin. Do not breathe spray mist. Wear protective clothing when handling this product including long pants, long-sleeved shirt and impermeable gloves and boots. Wash hands after using and before eating or smoking. Avoid contamination of feed and foodstuffs. Keep children and animals off treated areas until spray has dried or has been washed into the soil. Do not apply this product with Hose-End Applicators.

ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wastes. Do not feed treated foliage to livestock or graze treated areas. Do not spray or allow drift onto vegetables, ornamentals or other desirable plants. Do not apply when weather conditions favor drift from target areas. Do not apply directly to water.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store in original container in a cool dry place out of reach of children. Do not store near fertilizer, seeds, insecticides or fungicides.

Pesticide Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Container Disposal: Do not reuse this container. Rinse thoroughly before discarding in trash.

STATEMENTS OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center immediately. Induce vomiting by giving victim 1 or 2 glasses of water and touching back of throat with fingers. Do not induce vomiting or give anything by mouth to an unconscious person.

If In Eyes: Flush eyes with plenty of water. Call a physician immediately.

If On Skin: Remove contaminated clothing. Wash immediately with soap and water. Call a physician immediately.

NOTICE: Buyer assumes all risk and liability for use, storage and/or handling not in accordance with the terms of this label.
