

[2169-103]

DIRECTIONS FOR USE

(Continued)

AS A DUST: Sift from the shaker top carton, or better still, apply with a dust gun. Dust plant thoroughly, covering both upper and lower sides of foliage, covering all insects to be controlled.

AS A SPRAY: Stir four to six table-spoonsfuls into a paste with a little water, then add sufficient water to make one gallon of spray. The mixture should be agitated occasionally to maintain an effective suspension. Spray plants thoroughly covering all insects to be controlled.

CAUTION: Do not apply within 1 day of harvest.

NOTICE: Seller's responsibility is limited to accuracy of contents and conformation to the chemical description. Buyer assumes all risk and liability for use, storage and handling and accepts and uses this product under these conditions
