FRANKSON'S DORMANT SPRAY OIL,  
Registration No. 117-174

#### FRANKSON'S DORMANT SPRAY OIL

Frankson's Dormant Spray Oil is physically compatible with  
sulfur mixture. Use according to recommendations of State  
Extension Services.

Dormant Spray Oil is physically compatible with liquid lime  
sulfur. Use this combination only when recommended by State  
Agricultural Extension Services. Follow directions for use  
carefully to avoid injury to trees. Spray in dormant period  
only.

Spray when calm, but avoid overspraying adjacent trees.

Do not mix Dormant Spray Oil or any other oil spray with  
the temperature is below 40°F. or at any time when there are  
indications that it may fall as freezing or below freezing  
weather.

Frankson's Dormant Spray Oil is effective against scale and  
other insects.
