E.P.A. Reg. No. 210-201

GREEN UP

GREEN UP Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
Reg. No. **0161-261**

Warnings: Keep out of reach of children. May be fatal if absorbed through skin. Do not breathe spray mist. Wash skin, eyes, and clothing. Wash thoroughly after handling of feed and feedstuffs. Do not use on household pets or humans. Do not permit children to go onto the sprayed grass until the spray has completely dried out of reach of domestic animals.

Statement of Practical Treatment

If swallowed call a physician immediately. Gastric lavage if material was taken internally. **DO NOT INDUCE VOMITING** if treatment is not available. Vomiting may cause aspiration. It is necessary to induce vomiting, give victim one or two glasses of warm water, or one glass of 1% solution of sodium bicarbonate. Insert finger in back of throat. Repeat until vomit fluid becomes clear. If vomiting or one swallow by mouth (see cautions) do not induce vomiting. If vomit is not clear, repeat. If victim is unconscious, give one glass of warm water. If inhaled remove victim to fresh air. Apply resuscitation. Rub the skin with alcohol immediately with soap and water. If in eyes flush with at least 15 minutes with water. Call a physician immediately. **Do not**

This product is toxic to fish and wildlife. Birds feeding on bottom. Aquatic. Last 1 may be killed. Keep out of body of water. Do not apply where there is a possibility of conditions favor drifts from treated areas. Do not apply where of 7-20 per acre likely to occur.
