DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For control of Black Medic, Buckhorn, Canada Thistle, Chickweed, Clover, Curly Dock, Dandelion, English Daisy, Fleabane, Florida Pusley, Ground Ivy, Heart-all, Henbit, Knotweed, Lambsquarter, Mustard, Pennywort, Morning-glory, Pigweed, Plantain, Poison-ivy, Poison Oak, Prickly Lettuce, Purslane, Sheep Sorrel, Spotted Spurge, Thistle, Tarrow, Wild Onion.

Formulated for spot application to individual weeds. This spot weeder produces a foamy white lather for direct weed contact which avoids drift and marks weeds as treated.

1. Shake can just before using and occasionally during use.
 2. Invert can, hold at arm's length, and point can at weed as you press button. Do not press button when can is in upright position.
 3. Stand close to weed (1 to 2 feet) with can aimed at weed and away from face.
 4. Push down briefly on button. Spray to cover center of weed. Do not over-spray. The spray's foaming action will make it easy for you to see coverage.
- One application will kill most weeds listed. If certain tough weeds are not dead within 3 weeks, repeat application.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

CAUTION: Avoid contact with skin, eyes and clothing. Wash hands after use.

ENVIRONMENTAL HAZARD

Clover, Dichondra and certain grasses, such as Bentgrass, St. Augustine or Carpetgrass are sensitive to herbicides and may be injured by use of this product. Do not contaminate waters used for irrigation at domestic purposes. Keep out of lakes, ponds or streams.

NOTE: Be careful when treating weeds not to spray surrounding desirable grasses unless the browning of these grasses can be tolerated. Also avoid spraying or spattering of nearby flowers and other desirable plants.

STORAGE AND DISPOSAL

Do not store near fertilizers, seeds, insecticides or fungicides. Do not use or store near heat or open flame. Wrap container and put in trash collection.

PHYSICAL & CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.
