Subject: Response to Tuberculocidal Data Call-In Notice
 for Legphene Germicidal Cleaner
 EPA Registration Number 2212-5
 Your Submission Dated January 9, 1990

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, is acceptable provided that you:

1. Make the following revisions before you release the product for shipment bearing the amended labeling.
 - a) On the left panel, correct the spelling of "against" in the second sentence.
 - b) On the right panel, second paragraph, revise the statement "As an effective tuberculocidal, heavy soil or gross filth from surfaces must be removed" to read "As an effective tuberculocidal, remove heavy soil or gross filth from surfaces prior to disinfecting."
 - c) On the right panel, in the Statement of Practical Treatment, revise "If taken internally, drink milk xxx alcohol." to read "If swallowed, promptly drink a large quantity of water. Avoid alcohol. Call a physician."

2. Submit the revised final printed labeling for inclusion in the product file.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Walter C. Francis
Acting Product Manager (32)
Antimicrobial Program Branch
Registration Division (H7505C)

Enclosure

Formulated for hospital use Legphene contains three distinctive active phenols, carefully formulated with selected surfactants, wetting, chelating and solubilizing agents, in effect, providing the industry with a reliable and versatile germicidal concentrate. Legphene is effective against a wide range of gram positive and gram negative bacteria including Tuberculo-cidal activity.

For use in Hospitals, Nursing Homes, Public Areas, Institution, Hotels, and Industrial areas. LEGPHENE is recommended for operating room use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

PESTICIDE DISPOSAL

Pesticide spray mixture or rinse water that cannot be used according to label instructions must be disposed of according to federal or approved state procedures under subtitle C of the resource conservation and recovery act.

CONTAINER DISPOSAL

Triple rinse (or equivalent) then offer for recycling or reconditioning or dispose of in a sanitary landfill or by incineration if allowed by state and local authorities.

GENERAL

Consult Federal, State or local disposal authorities for approved alternative procedures.

LEGPHENE
