

Cross-contamination is of major housekeeping concern not only in hospitals, but in schools, institutions, and industry. LEGCIDE .5 has been formulated to aid in the reduction of cross-contamination in these areas.

LEGCIDE .5 is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria, is virucidal, fungicidal, and will prevent the growth of mold and mildew and their odors when used as directed.

LEGCIDE .5 is an effective one-step sanitizer-cleaner for use on non-food contact surfaces.

When used as directed, LEGCIDE .5 will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.
