Reg # 2214-5

195

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

APR 25 1995

Vapor Products
PO Box 568395
Orlando, FL 32856

Attention: Michael L. Williams
President

Subject: Product Name: Mildewcide
EPA Registration No. 2214-5
Your Amendment Dated February 13, 1995 and
and Fax dated April 10, 1995

The amendment (general label update) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you:

1. Make the following labeling changes below before you release the product for shipment bearing the amended labeling. (Outer Bag only-Cellophane).

a. Delete the claim to "Damp Rid". Advertising other products on pesticide labels is not permitted. NOTE: This registration number "2214-5" is assigned to only "Mildewcide" and must not be used as an endorsement for other products that your company markets.

b. Change your company address. Ref: your fax: item #2.

c. Revise "Net Wt" to read: Net Contents.

d. The following form of the ingredient statement is preferred:

Active Ingredient
Name of ingredient..... %
Inert Ingredients..... %

e. The following precautionary heading:

KEEP OUT OF REACH OF CHILDREN

should be located heading directly above the signal word: Danger

f. Revise the referral statement: "See inside package for other warnings" to read: "Refer to side panel and inside package for additional precautionary statements".

g. Delete the Word: Caution. (left panel).

h. Revise the heading: Directions to read: Direction for Use.

i. Provide instruction for disposal of this wrapper.

2. Make the following labeling changes below before you release the product for shipment bearing the amended labeling. (Inner Bag only-Unwoven Fabric).

a. Incorporate the statement "Use in unoccupied areas only. Ventilate treated areas before entry." Ref: your fax: item #1.

b. Change your company address. Ref: your fax: item #2.

c. Revise Net Wt to read: Net Contents.

d. Add the following heading to the left pane: Statement of Practical Treatment.

e. Add the heading: Precautionary Statements. Place this heading to appear directly above the subheading: Hazards to Humans and Domestic Animals.

f. The statements: "If in eyes" and "If on skin" should be joined with the other "Statements of Practical Treatment" on the left panel.

g. Add the following additional precautionary statements:

Wash thoroughly with soap and water after handling.
Remove contaminated clothing and wash before reuse.

h. Delete the word: Healthly.

~~i. Revise the word: "Prevents" to read: "Controls or inhibits the growth of..."~~

3. A release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

4. A stamped copy of the labeling is enclosed for your records.

It has been noted that even though the label is stamped acceptable at this time, the most recent Confidential Statement of Formula (dated 12-20-89) will be the official CSF of record. It is understood that the current source of the Active ingredient is a cancelled product however when a new source becomes available, it will be your responsibility to notify the Agency with a new CSF.

If you have any questions concerning this letter, contact V. Goncarovs at 703-305-6663.

Sincerely,

Marion Johnson
Product Manager 31
Antimicrobial Program Branch
Registration Division (7505C)

KEEP OUT OF REACH OF CHILDREN
DANGER POISON

For use in unoccupied enclosed areas. Contains two 1.5 oz. bags. Net weight 3.0 oz. Ingredients: 91% Paraformaldehyde, 9% inert ingredients. See inside package for other warnings.

EPA REG. NO. 2214-5 EPA EST. NO. 2214-PL-1

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with the labeling.

Remove this wrapper and place bag at highest point of area to be protected.

Arrange stored items so obstruction of vapors is possible, and tightly seal area when finished.

Additional MILDEWCIDE may have to be added if area is opened or unsealed.

For uninterrupted protection, replace used bags of MILDEWCIDE before they have completely evaporated.

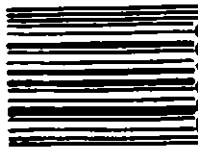

Ventilate treated areas before entry. Use in unoccupied areas only.

One 1.5 oz. bag will protect up to 150 cu. ft. This package contains two 1.5 oz. bags.

P.O. Box 275 Omaha, N. 68108

MILDEWCIDE works by releasing protective vapors into the trapped air of unoccupied enclosed spaces. These vapors act as a fumigant, killing the organisms which cause mildew damage and odors.

0 759198 3

MILDEWCIDE protection will last several months depending upon how airtight the space is and how often it is opened.

Use MILDEWCIDE in closets, trunks, storage rooms and other similar areas where year-round problems can arise.

CAUTION Do not store food or personal hygiene items with this product. Do not remove or sprinkle contents of inner bag in areas to be protected. Avoid placing inner bag closer than 24" from carpets or rugs as discoloration may result.

ACCEPTED with COMMENTS in EPA Letter Dated:

APR 25 1995

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

KEEP OUT OF REACH OF CHILDREN

POISON

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Causes irreversible eye damage and severe skin irritation. Harmful if swallowed. Do not get in eyes or on skin. Vapor may cause irritation to the eyes, nose and upper respiratory system. Use with adequate ventilation where inhalation will be minimal.

If in eyes: Flush with plenty of water. Get medical attention.

If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.
