at the rate of 25 to 100 pounds per acre. This can treat 200 to 1200 feet of row depending on size of plants and degree of infestation.

GARDEN PROTECTOR may be used effectively against fleas on dogs and cats. Dust sleeping quarters and replace with fresh bedding. Rub dust into hair or fur. Repeat as needed for control.

CAUTION: Dust may cause irritation of nose and throat. Do not breathe dust. Do not apply to crops within one day of harvest. Harmful if taken internally.

This product toxic to fish. Do not allow to drift into any body of water. Keep out of lakes, streams and ponds.

Do not use in any manner not specified on this label. Do not reuse container. Destroy when empty.

E.P.A. Reg. No. 2217-145-AA 554-373
