

a brush make sure that the material penetrates the wood. Make a second application to insure proper treatment. Allow the material to freely flow over the areas to be treated paying special attention to the ends and joints for a distance of 3 to 4 feet.

DIPPING OR SOAKING—To protect dry and well seasoned timbers, posts and other heavy wood members before construction or before placing wood in contact with the soil dip each wood member for 12 to 48 hours to give effective penetration of the wood. Fabricated products such as doors, windows, etc., should be dipped 3 to 30 minutes. All wood members should be free of bark before receiving treatment.

WINTER GRASSES AND BROAD LEAVED

warm water and repeat until vomit fluid is clear. Give two teaspoonfuls of baking soda in a glass of warm water. Have the patient lie down and keep him warm. Cover eyes to exclude light. CALL A PHYSICIAN.

SKIN: Swab with cotton soaked in rubbing alcohol. Apply a paste of baking soda and water.

Keep this product away from children, pets, and livestock. Do not graze treated areas or feed forage or threshings to livestock.

WARNING—FLAMMABLE! KEEP AWAY FROM HEAT OR OPEN FLAME.

This formulation is combustible. Keep con-

INSTRUCTIONS FOR USE

APPLY AS A SPRAY—Use a hand mist type or pressure sprayer. Fresh bleeding coats of Penta 5 are usually sufficient to protect joints, timbers and other wood work from Lyctus Powder Post Beetles and other Boring Organisms. Treat all woodwork which comes in contact with the soil. Spray all ends and joints of wood for 2 feet above and 2 feet below as well as sections around windows, collar stairs, vent pipes and porches.

APPLY WITH A BRUSH—When applying with a brush be sure that the material penetrates into all cracks and crevices.

DIPPING OR SOAKING

When dipping or soaking woodwork, be sure that the material penetrates into all cracks and crevices.

WINTER WEEDS IN CONTROL—Chickweed, Grass, Crab Grass, and 2 others. Spray 1/2 lb. of turf and desirable weeds on the lawn only when the grasses are dormant in the fall and winter after the tops have been killed or in early spring before the new growth starts. Do not increase dosage rates since injury may result to the permanent grasses.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary, Seller makes no claims other than those stated on this label.

DANGER: Penta 5 is harmful or fatal if swallowed or absorbed through the skin. It causes skin irritation, and vapor is harmful. Do not take internally. Do not get into eyes, on skin, or on clothing. Do not breathe vapor, fumes, or spray mist. Wear rubber gloves and protective clothing when handling freshly treated lumber. Wash thoroughly after using. Methanol may cause blindness.

ANTIDOTE: FIRST AID — IF SWALLOWED. Give a tablespoon of salt in a glass of warm water and repeat until vomited. If vomited, give more warm water. If not vomited, give more warm water. If necessary, give more warm water. If necessary, give more warm water.

WARNING: FLAMMABLE. KEEP AWAY FROM HEAT OR OPEN FLAME.

This product is toxic to fish and wildlife. Keep out of lakes, streams, and ponds. Do not apply when weather conditions favor drift from areas treated.

CLEANING OF EQUIPMENT: Spray equipment is best cleaned by rinsing with some of the oil used in spraying. Soapy water may also be used, since slight traces of this spray remaining in the sprayer will not be harmful. Do not contaminate water by cleaning of equipment, or disposal of wastes.

CONTAINER DISPOSAL: Rinse equipment and containers, and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying them.

NOTE: Penta 5 does not move within the plant, but kills only the foliage that is contacted by the spray. Be sure the spray equipment being used is providing uniform and complete coverage.

Apply this product only as specified on this label.
