

**ACCEPTED**

**JUL 19 1967**

UNDER THE FEDERAL INSECTICIDE  
FUNGICIDE AND RODENTICIDE ACT  
FOR ECONOMIC POISON REGISTERED  
ED UNDER NO. 2217-229

Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.

Keep children and animals off treated areas until washed into soil.

**DIRECTIONS FOR USE**

**YOUNG CRABGRASS:** In early summer when crabgrass is young, apply 1 pint per 2,000 square feet. Follow with two or more treatments at 7 day intervals. Repeated applications may be necessary if new crabgrass growth appears later in season. For smaller areas apply 8 tablespoons (1/4 pint) per 500 square feet.

**CRABGRASS (Vigorously Growing):** Apply 1 pint per 1,000 square feet. Follow with more treatments at 7 day intervals. For smaller areas apply 2 tablespoons for every 100 square feet.

**LAWNS COMPLETELY OVERRUN WITH CRABGRASS AND SEED HEADS ARE FIRST VISIBLE:** Apply 1 pint per 1,000 square feet, using two treatments at 7 day intervals. This application may discolor, but won't permanently injure the good turf grasses. For smaller areas, apply 8 tablespoons (1/4 pint) per 250 square feet.

**HOW TO APPLY**

**WITH NOZZLE TYPE SPRAYER** which attaches to garden hose: First, measure 1,000 square feet of lawn area. Place recommended amount of this product in jar, then fill jar with water and spray evenly over 1,000 square feet area.

**WITH PRESSURE SPRAYER:** Mix recommended amount of this product as required above with 3 gallons of water and apply uniformly over the 1,000 square feet area. Licensed for use in the control of crabgrass according to the method of Patent 2,578,265 by reason of the inclusion in the purchase price of a royalty. A license at the same royalty rate to use the patented method with material obtained from any source will be granted upon request by trustees of U. S. Patent 2,578,265, P. O. Box 14, Summit, N. J. 802-457

**SELECTIVE  
CRABGRASS KILLER**

**CONTAINS**

**Disodium Methyl Arsonate  
(DSMA)**

**CAUTION: Keep Out of Reach of Children**  
See Side Panels for Additional Cautions

**ACTIVE INGREDIENTS:**

Disodium Methanearsonate Anhydrous ..... 12.5%  
INERT INGREDIENTS ..... 87.5%  
TOTAL 100.0%  
Total Arsenic as elemental, all in water soluble form ..... 5.3%  
Equivalent to 20.0% Disodium Methyl Arsonate Hexahydrate

**CONTENTS 1 QUART**

802-457

Packed by and under license granted to  
Private Brands, Inc.

**IMPORTANT**

1. Be sure soil is moist and lawn healthy before treating. During droughts water grass well several days in advance, and restore turf to healthy green color with fertilizer before treating.

2. Keep lawn mowed about 1 1/2-2 inches during treatment.

3. Flush sprayer thoroughly with plain water after using.

4. Lawn may discolor from treatment, but if directions are followed turf grasses will quickly return to normal.

**NOTE:** This product is a selective crabgrass killer at recommended rates of application in the presence of Kentucky, Marion Blue and Zoysia Grasses. Under ideal weather and turf conditions, such as cool days and moist turf, it is also selective in the presence of sensitive grasses, such as Fescues and Bents. Discoloration may occur in Fescue and Bent grass areas, hence only the "Young Crabgrass" dosage is recommended when these grasses predominate. This will require a number of treatments if spraying is delayed until crabgrass is mature in these areas. Will injure St. Augustine, Bahia, Carpet and Centipede grasses.

**CAUTION:** Avoid contact with skin or breathing of spray mist. Avoid contamination of food or foodstuffs. Keep away from children and domestic animals. Wash hands after using. Harmful if swallowed.

Keep livestock off treated areas.

**ANTIDOTE:** If taken internally induce vomiting and call a doctor at once.

**NOTICE:** Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment, will vary, Seller makes no claims other than those stated on this label.

**KEEP TIGHTLY CLOSED WHEN NOT IN USE**

Store beyond reach of children
