

DIRECTIONS FOR USE

SPRAY INFESTED SURFACES ONLY UNTIL WET. ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS: Use heavily in all cracks, around baseboards and other places where these insects hide. Also apply until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Use on other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelvings. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animal with this formulation.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

DIRECTIONS FOR USE

FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS OUTDOORS: For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as re-infestations occur.

NOTE TO CUSTOMER: U S D A Bulletin 144 titled "Cockroaches and Their Control" states that in instances when infestation of roaches is severe, faster and more complete control is obtained by using both a powder and a liquid insecticide. Rockwell's Roach Rid is available in both forms. **MONEY-BACK GUARANTEE:** Rockwell's Liquid Roach Rid is unconditionally guaranteed to give complete satisfaction when used according to directions, or your money back. Mail container to Rockwell Laboratories, Inc., for full refund if not satisfied.

ACTIVE INGREDIENTS:

O, O Dimethyl O-(2-isopropyl 4-methyl-6-pyrimidinyl) phosphorothioate	0.500%
Pyrethrins	.028%
Technical piperonyl butoxide (equivalent to 0.224% (butyl carbonyl) (6-propyl piperonyl) ether and 0.055% other related compounds.)	0.280%
Petroleum Distillate	99.192%
	100.000%

CAUTION: Harmful if swallowed. Keep out of reach of children. Avoid contamination of feed and foodstuffs. Avoid repeated or prolonged inhalation and skin contact; wash thoroughly after using. Do not use on household pets or humans.

Combustible Mixture: Do not spray, store or use near open stove: Do not smoke while using.
