

BIN SPRAY

Ready to Use

A Quick Killing Residual Spray for
Farm Granaries, Mills and Grain Elevators

**KILLS THE EXPOSED STAGES OF GRANARY
WEEVIL, RICE WEEVIL, BRAN BUGS, FLOUR
BEETLES, AND INDIAN MEAL MOTH**

ACTIVE INGREDIENTS:

* Piperonyl Butoxide	0.250%
Pyrethrins	0.025%
** Methoxychlor	2.500%
INERT INGREDIENTS	<u>97.225%</u>
TOTAL	100.000%

*Equivalent to 0.20% of butylcarbitol 6-propylpiperonyl ether
and 0.05% of related compounds.

**Consists of 2.2% 1,1,1-trichloro-2,2-bis(p-methoxyphenyl)ethane
and 0.3% other isomers and related compounds.

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed, inhaled or absorbed. Avoid contact with skin. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after use.

Statement of Practical Treatment

IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention immediately.
IF INHALED: Remove victim to fresh air and apply respiration as indicated.
IF ON SKIN: Wash promptly with soap and water. Rinse thoroughly.
IF IN EYES: Flush with plenty of water and get medical attention immediately.

Environmental Hazards

This pesticide is toxic to fish and aquatic invertebrates. Drift and runoff may be hazardous to aquatic organisms in neighboring areas. Do not apply directly to water or wetlands (swamps, bogs, marshes, and pot-holes.) Do not contaminate water when disposing of equipment washwaters.

Physical or Chemical Hazard

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

RE-ENTRY STATEMENT

Do not enter or allow entry into treated areas until sprays have dried to perform hand labor tasks. A person may enter the area to perform other tasks only if the person is wearing the personal protective equipment listed on the label for a pesticide handler.

Do not apply this product in a way that will contact unprotected workers, either directly or through drift. Only protected handlers wearing long pants, long sleeved shirts, socks, shoes and chemical resistant gloves may be in the area during application.

STORAGE & DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage or disposal. Store in original container in a locked storage area inaccessible to children or pets.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

FOR FARM GRAIN STORAGE

For control of the insects as listed on the front panel, use a coarse spray to cover walls, ceilings, floors and surrounding areas of the grain bin. Use approximately one gallon for 1,000 square feet of surface. Treat empty bins and walls at least 24 hours before filling. Dead insects should be swept up and burned. Do not spray directly onto grain. Residual insect control will last up to three weeks.

FOR GRAIN ELEVATOR STORAGE

For control of the insects listed on the front panel use one gallon for approximately 1,000 square feet of bin area, conveyors and dump bins. Apply as a coarse spray to cracks and crevices of infested areas. Allow 24 hours before refilling bin. Do not spray directly onto grain. Plan on this treatment at any time when bins are empty and infestations are present or are anticipated.

FOR CEREAL PROCESSING MILLS

For control of insects as listed as well as Roaches and Indian Meal Moth apply to surfaces using one gallon for 1,000 square feet. Treat storage warehouses before refilling. Repeat treatment as needed spraying cracks and crevices and other hiding places for Roaches and insects as listed.

FOR USE IN FOGGING

Apply only in closed empty storage bins, elevators or warehouses. Employ a fog or mist generator to produce a gallon of Mill and Farm Bin Spray per 40,000 cubic feet. This application will control exposed stages of Indian Meal Moth, Angoumois, Grain Moths, Grain Beetles, Granary and Rice Weevils as well as those House Flies, Gnats and Roaches that may be present at the time of fogging. Keep the area closed over night or at least one to two hours. Sweep the dead insects up and burn. Do not apply in any way that would contaminate food utensils, food, feed, or other food handling equipment.

494

OTHER USES

This product may be used in dairy and livestock barns for control of House Flies, Gnats, and Roaches. Apply the material as is, using one gallon for 500 to 1,000 square feet of walls, ceilings, beams, or other surfaces. Treat areas where Flies congregate such as beams, posts, and windows. For Roaches treat all cracks and crevices paying particular attention to baseboards and floor areas. Repeat application as needed for control.

NOTE: Remove animals from buildings during the spray operation. Do not contaminate milking utensils, food, or feed bunks.

LIMITED WARRANTY. Manufacturer warrants that the chemical composition conforms to the ingredient statement given on the label and that this product is suited for the labeled use when applied according to label directions. Because of widely varying use conditions, it is impossible to eliminate all risks even when label directions are followed.

EXCLUSIONS OF OTHER WARRANTIES AND REMEDIES: Except where such disclaimers and exclusions are specifically prohibited by applicable law. THE FOREGOING IS THE ONLY GUARANTEE OR WARRANTY APPLICABLE TO THIS PRODUCT AND IS GIVEN EXPRESSLY AND IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES WHICH EXCEED OR DIFFER FROM SAID LIMITED WARRANTY ARE DISCLAIMED BY MANUFACTURER, and, upon Manufacturer's compliance with said limited warranty. BUYER SHALL HAVE NO REMEDY AGAINST MANUFACTURER FOR ANY TYPE OF DAMAGE OR LOSS, and, IN NO EVENT SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL DAMAGE OR LOSS.
