STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes or clothing. Harmful if inhaled. Avoid inhalation of dust. Remove contaminated clothing and wash before reuse.

When using this product, wear long-sleeved shirt, long pants, socks and shoes. After using this product, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water.

Statement of Practical Treatment

IF SWALLOWED: Do not induce vomiting. Call a physician immediately.

IF ON SKIN: Wash with soap and water. Get medical attention if irritation persists.

IF IN EYES: Flush with water for 15 minutes. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water except as specified on this label. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE:

For use on residential and other turf sites excluding sodfarms

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment areas during application. Do not enter treatment areas until spray has dried or dust has settled.

STORAGE AND DISPOSAL

STORAGE: Store in original container in a locked storage area inaccessible to children or pets.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.

USE PRECAUTIONS: Do not apply or allow the granules to contact susceptible plants such as tomatoes, roses, flowering plants, grapes, fruit trees or other desirable plants. Do not apply to newly seeded turf areas or creeping grasses such as Bent. Do not contaminate irrigation ditches or water used for domestic purposes or for spraying. Do not use for other purposes than shown on this label. Do not contaminate lakes or ponds where water is used for spraying. Vapors from this product may injure susceptible plants in the immediate vicinity.

- FOR LAWNS AND TURF -

Punch holes in lid. For spot treatment, apply directly to weeds. A second treatment one month later may be needed to control those weeds that did not receive application. Kills dandelions, plantain, shepherds-purse, ragweed, dock, henbit, lambsquarter, pennywort, and dog fennel. Do not overdose since injury to turf may result. Treatment should be kept three feet from desirable plants. Do not treat spring seeded lawns until after second cutting. Weeds over 6 inches high should be sprayed using our "Lawn Weed Killer" spray. Do not use on St. Augustine grass. Weed killing effect is shown within 10 days and plants will be dead within 20 to 25 days. Possible injury may occur to clover lawns.

- FOR WATER WEEDS -

Use only in ponds and lakes where water is still. Spread evenly over ice or water surface in late winter or

early spring at the rate of 1 pound per 430 square feet. or 100 pounds per acre. Weed kill is accomplished through roots of water weeds since granules settle to the bottom. Reaction is slow but effect is seen 4 to 8 weeks after granules reach bottom with an expected control up to 12 years. Retreat as new weeds appear. This application will kill water lilies, milfoil, pondweed, fanwort, cattails, spatterdock and arrowhead. Do not use this product in irrigation water. If weed infestation is heavy, do not treat entire body of water at one time since the decaying vegetation may deplete the oxygen supply, this suffocating the fish. Treat other portions of water in 2 to 3 months. Treat only 1/3 to 2 of the water area in a single operation.

LIMITED WARRANTY AND DISCLAIMER.

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
