See side panels for additional precautionary statements

IMPORTANT NOTE: Avoid wetting the hides of animals. Do not apply regularly to calves under 6 months of age. Brahman cattle should not be treated as they may show hypersensitivity to organophosphates.

NOT FOR USE OR STORAGE IN OR AROUND THE HOME

USE INSTRUCTIONS

Apply as a mist spray only. Do not use coarse sprays and do not wet the hides of animals. GORDON'S DAIRY SPRAY is ready to use. Use hand mist sprayer, power or automatic sprayer, or equipment. This product is not suited for use in truck rubber.

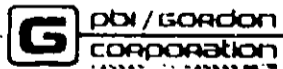

FLY CONTROL: For horn flies, face flies and house flies on dairy cattle and beef cattle, apply as a mist to animals at the rate of no more than 2 ounces daily per animal before turning out to pasture. A 1 ounce application may be made twice daily on dairy cows before morning and evening milking. Treat entire animal. For face flies, treat face and forehead. For stable flies, make sure spray rear legs, ankles and hanks. Apply as a mist only. Do not wet animals' hides.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Some conditions of use, such as weather, compatibility with other chemicals, and condition of application, equipment and vary. Seller makes no claim other than those stated on this label.
