\*\*Equivalent to 0.4% (butylcarbityl) (6-propylpiperonyl) ether and 0.1% related compounds.

**CAUTION** Keep Out of Reach of Children  
See back panel for additional caution statements.  
**NET CONTENTS - ONE QUART**

### DIRECTIONS FOR USE

Horse & Pony Spray has been specifically formulated for use on your horse and pony show stock. Do not use on meat animals. The product may be sprayed or wiped on to the animal's coat and will protect your animal from biting flies. The product will also impart a bright sheen to the animal's coat. Apply regularly during fly season.

### AS A SPRAY

Select a hand sprayer which will apply the product in a fine mist or fog. Use one to two ounces per animal per day. Also treat adjacent stable areas for more effective fly control. Do not wet the animal's skin. After application, brush the coat to give overall coverage. Make sure that legs and ankles are treated. For face area treat as a wipe-on application.

### TO WIPE ON

Rub the animal down and remove dirt. Pour a small amount (1 ounce) into a soft cloth and wipe on against the hair grain. Make sure to treat legs, belly, the neck and the facial areas as well as the back line. Do not wet skin. After this application, brush the coat to bring out a bright sheen. Repeat as needed to kill and repel biting flies. During fly time best protection will be given by treating animals 3 to 4 times each week.

### CAUTION

Harmful if swallowed. Keep out of reach of children. Do not contaminate feed or feeding utensils. Cover or remove feed before spraying.

Do not use on meat or dairy animals.

This product is toxic to fish. Keep out of lakes, ponds, or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

**DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.**  
Do not reuse container. Destroy when empty.

Destroy when empty, or refill only with Horse and Pony Spray.

**NOTICE:** Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use such as weather, compatibility with other chemicals, and condition of application equipment will vary, Seller makes no claims other than those stated on this label.
