STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS  
AND FOLLOW DIRECTIONS CAREFULLY.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans & Domestic Animals

**CAUTION:** Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wear long pants, long-sleeved shirt and shoes when applying this product. Wear goggles when applying this product. When handling this product, wear chemical resistant gloves. In case of contact with eyes, immediately flush with plenty of water. If on skin, wash with soap and water. If irritation develops, get medical attention. Wash hands before eating or smoking and after each use. Avoid contamination of food or feedstuffs.

**ENVIRONMENTAL HAZARDS:** This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Do not contaminate domestic or irrigation waters. Do not apply when weather conditions favor drift from target area.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not reenter or permit other to reenter treated areas until sprays have dried or dusts have settled.

## STORAGE AND DISPOSAL

**STORAGE:** Store in original container in a locked storage area inaccessible to children and pets. Keep separate from other pesticides, fertilizers, seeds, food, or feed during storage to prevent cross-contamination.

**PESTICIDE DISPOSAL:** Securely wrap container in several layers of newspapers and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse container. Rinse thoroughly before discarding in trash.

**OTHER USE PRECAUTIONS:** Do not allow spray to drift onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants since injury may result. Do not pour spray solutions near these plants. Avoid "fine-mist" sprays. Coarse spray droplets are less likely to wind-drift and cause damage to non-target plants. Do not spray roots of desirable trees and shrubs. Do not exceed specified dosage; be particularly careful within dripline of tree and other ornamental species. This product is intended for spot-spraying individual weeds only.

**WHAT IT IS & HOW TO USE IT:** Gordon's Spot-Weeder contains TRIMEC<sup>(R)</sup> turf herbicide, a combination of three proven weed killers -- 2,4-D, Mecoprop and Dicamba. Together they control a wide range of broadleaf lawn weeds; some of which are listed on this label.

Use to "spot-treat" weeds in the lawn. For best results, apply when weeds are actively growing. Do not water within 24 hours after spraying. Use as is. Do not mix. Do not dilute. Aim at weed and spray. Only a short burst is needed. Overspraying only wastes the product. Effects begin to show after a few days and weeds gradually die. Up to 4 weeks may be required for complete kill. Be patient, Gordon's TRIMEC<sup>(R)</sup> Spot Weeder works slowly. Repeat in 3 to 4 weeks if necessary.

For lawns with many weeds, requiring an overall treatment, spray with ACME TRIMEC<sup>(R)</sup> LAWN WEED KILLER, a concentrate you'll have to mix with water in your hose-end or pressure-sprayer.

**CONTROLS:**

Bedstraw  
 Black Medic  
 Buckhorn  
 Canada Thistle  
 Chickweed  
 Chicory  
 Clover  
 Cudweed

**LIMITED WARRANTY AND DISCLAIMER.**

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.

4 of 4

(The following instructions would appear on the bag or be enclosed with the bag containing the trigger sprayer.)

## **SUPPLEMENTAL LABELING FOR USE WITH ATTACHED TRIGGER SPRAYER.**

### **DIRECTIONS FOR USE OF TRIGGER SPRAYER.**

1. Remove sprayer from bag.
2. Unscrew cap from bottle and remove the foil seal.
3. Making sure that tube is properly inserted through hole in cap, insert tube into bottle and screw on cap.
4. Open spray nozzle approximately one full turn.
5. TO PRIME -- With sprayer directed at the target area, operate trigger until spray begins (approximately 10 to 15 times).
6. Adjust the sprayer nozzle for desired spray pattern.

### **STORAGE OF TRIGGER SPRAYER.**

1. Close spray nozzle.
2. Hook the trigger on or under the bottle handle so that trigger is above the level of contents.
3. To prevent clogging of trigger, remove sprayer from bottle and pump clean water through the hose and trigger.
