Mr. Craig Martens  
PBI/Gordon Corporation  
P.O. Box 014090  
Kansas City, MO 64101

OCT 22 1998

Dear Mr. Martens:

Subject Conversion from MCPP to MCPP-p  
Gordon's Broadleaf and Poison Ivy Spot-Weeder  
EPA Registration Number: 2217-585  
Your Submission Dated September 3, 1998

The Agency is conditionally approving an amendment to the registration of the above-referenced product under the authority of section 3(c)(7)(A) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). Under this amendment the Agency is approving the conversion of the active ingredient mecoprop from its racemic form [2-(2-methyl-4-chlorophenoxy) propionic acid, or applicable salt thereof] to its single isomer form [(+)-R-2-(2-methyl-4-chlorophenoxy) propionic acid, or applicable salt thereof]. The revised labeling and Confidential Statement(s) of Formula submitted in support of the conversion are acceptable with the following provisions:

1. This acceptance is based on your certification that no changes have been made to the Confidential Statement(s) of Formula (CSF) or the product labeling other than those specified within the body of your certification statement. No other revisions are being reviewed or considered with this action.
2. You may sell or distribute product containing the racemic form of mecoprop and bearing the previously approved labeling for 18 months from the date of this letter.

A copy of the revised Confidential Statement of Formula (Basic Formulation, dated 09/3/98) has been placed in the Agency's file for the subject product. This CSF supersedes all previously submitted CSFs for this product.

2/5

A stamped copy of the labeling is enclosed for your records. Submit one copy of your final printed labeling before you release the product for shipment.

Sincerely yours,

Joanne I. Miller  
Product Manager (23)  
Herbicide Branch  
Registration Division (7505C)

# GORDON'S BROADLEAF AND POISON IVY SPOT-WEEDER

35

READY TO USE - CONTAINS TRIMEC®  
KEEP FROM FREEZING

ACTIVE INGREDIENTS:

Dimethylamine salt of 2,4-dichlorophenoxyacetic acid .....	0.620%
Dimethylamine salt of 2-(2-methyl-4-chlorophenoxy)propionic acid .....	0.281%
Dimethylamine salt of (+)-(R)-2-(2-methyl-4-chlorophenoxy)propionic acid ...	0.140%
Dimethylamine salt of dicamba (3,6-dichloro-o-anisic acid).....	0.064%
INERT INGREDIENTS:.....	99.035%
INERT INGREDIENTS:.....	99.176%
TOTAL	100.000%

THIS PRODUCT CONTAINS:  
0.515% 2,4-dichlorophenoxyacetic acid equivalent  
0.232% 2-(2-methyl-4-chlorophenoxy)propionic acid equivalent  
0.116% (+)-(R)-2-(2-methyl-4-chlorophenoxy)propionic acid equivalent  
0.0536% 3,6-dichloro-o-anisic acid equivalent  
Isomer Specific by AOAC Methods.  
TRIMEC® is a registered trademark of PBI/GORDON CORPORATION.  
CONTAINS SINGLE ISOMER FORM OF MECOPROP-p

ACCEPTED  
with COMMENTS  
In EPA Letter Dated

OCT 22 1998

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

**READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.**

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed. Avoid contact with skin, eyes or clothing. Wear goggles when applying this product. When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves.

After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

In case of contact, flush with plenty of water; for eyes get medical attention. Wash after each use.

**ENVIRONMENTAL HAZARDS:**

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water. Do not contaminate water when disposing of equipment washwater.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried or dust has settled.

**STORAGE AND DISPOSAL**

**STORAGE:** Keep from freezing. Store in original container in a locked storage area inaccessible to children and domestic animals.

**PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse container. Rinse thoroughly before discarding in trash.

**USE PRECAUTIONS:**

Avoid spraying susceptible plants (flowers, shrubs, etc.). Clovers, bentgrass and St. Augustinegrass may be injured if contacted. Do not apply within dripline of desirable plants. Avoid accidental drift or application to nearby garden plants, flowers or shrubs. Do not use on dichondra lawns.

**NO MIXING OR POURING - AIM AT WEED AND SPRAY**

Use to kill poison ivy and any other troublesome broadleaf weeds. For best results use Gordon's Broadleaf and Poison Ivy Spot Weeder when weeds are actively growing. Rainfall or watering soon after application may reduce effectiveness.

Gordon's Broadleaf and Poison Ivy Spot Weeder is designed to permit easy treatment of small weed patches without mess or trouble and without bending or stooping. Wet poison ivy or other weeds thoroughly using short bursts of spray. Overspraying only wastes the spray. Effects begin to show in a few days and weeds slowly die and disappear.

**ALSO KILLS:**

Bedstraw	Filaree	Pennywort
Black medic (Yellow clover)	Fleabane	Pepperweed
Buckhorn	Florida pusley	Pigweed
Canada thistle	Ground ivy	Plantain
Chickweed	(Creeping Charlie)	Poison ivy
Clover	Healall	Prickly lettuce
Cudweed	Henbit	Purslane
Curl'd dock	Knotweed	Ragweed
Dandelions	Lambsquarters	Sheep sorrel
Dollarweed	Matchweed	Shepherdspurse
English daisy	Mustard	Yarrow

**LIMITED WARRANTY AND DISCLAIMER.**

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
