

GORDON'S Quick Draw Fly Bait consists of several natural attractants and special dark decoy pellets to attract flies to baited areas.

### DIRECTIONS FOR USE

Observe where flies congregate or breed and treat these areas. Scatter bait at a rate of  $\frac{1}{4}$  pound per 500 square feet. Best results are obtained when scattered on dampened surfaces. Wet burlap may be baited for convenient clean-up. DO NOT apply in piles. Repeat applications may be necessary in 3 to 5 days.

Use in and around ~~Livestock and Dairy Barns, Stables, Loafing areas, Feed Lots, Hog Farms, around Garbage Disposals, and outside areas of certain commercial buildings where flies become a nuisance.~~

**Poultry Houses:** Apply bait on droppings under cages, walkways, and alleyways.

**Kennels:** Apply bait to walkways and other areas surrounding animal runs.

**Outdoor Use:** Apply bait on floors, walks, alleyways, and other horizontal surfaces where flies congregate; ~~around Restaurants, Drive-Ins, Ice Cream Stands, Outdoor Latrines, and Compost areas.~~

**Outdoor Patios:** Apply bait along edges or where bait will not be tracked indoors. Make application the day before planning to use the patio for best results.

Bait can be used to control flies around flower beds and ornamentals.

For maximum fly control use bait at the recommended rate and maintain good sanitation practices.

615-474 Blue Formulation

**CAUTION:** Harmful if swallowed, inhaled, or absorbed through the skin. Induce vomiting if swallowed. Avoid breathing of dust. Do not handle with bare hands. Wash with soap and water after using and before eating or smoking. Keep out of reach of children, poultry, and pet animals. Do not use inside homes, where milk is stored or processed, or during milking, or where milk or milking utensils are exposed.

This product is toxic to fish, birds and other wildlife. Keep out of lakes, ponds, and streams. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Use only as directed on this label.

Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Destroy this container when empty. Do not reuse for any purpose.

**NOTICE:** Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary, Seller makes no claims other than those stated on this label.
