DIRECTIONS FOR USE

ORNAMENTAL LAWNS AND TURF:
Apply PROFESSIONAL TURF HERBICIDE at the rate of 2 to 3 pints per acre in sufficient water for adequate coverage. Maximum kill of weeds will be obtained from Spring or early Fall application when weeds are actively growing. Avoid applying during long excessively dry or hot periods unless adequate irrigation is available. Do not irrigate within 24 hours of application. Do not apply to newly seeded turf until after the second or third mowing. Grass seed can be safely sown 3 to 4 weeks after application at recommended rate. Do not use on dichondra.

WEEDS CONTROLLED: PROFESSIONAL TURF HERBICIDE is especially effective against weeds such as Sheep Sorrel, Knotweed, Spotted Spurge, Chickweed, Oxalis, and Henbit. In addition to these, it kills virtually all broadleaf weeds, some of which are listed below. Repeat application if necessary.

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. If contact with eyes occurs, flush with plenty of water and get medical attention.

Avoid drift of spray mist onto vegetables, flowers, ornamental plants, shrubs, trees, and other desirable plants. Do not pour spray solutions near these plants. Do not contaminate domestic or irrigation water. Do not store in contact with fertilizers, seeds, insecticides, or fungicides. Do not spray on dichondra nor lawns or turf where desirable clovers are present. Coarse sprays are less likely to drift. Do not apply to areas underlaid by roots of desirable trees and shrubs. Do not contaminate water by cleaning of equipment, or disposal of wastes. This product may be injurious to St. Augustine grass. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes. Apply this product only as specified on this label.

CONTAINER DISPOSAL: Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place away from water supplies. Do not burn.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary, Seller makes no claims other than those stated on this label.
