**DIRECTIONS FOR USE
USE ON LAWNS ONLY**

CRABGRASS: Young crabgrass seedlings require less chemical than older plants. Determine the average stage of growth of crabgrass to be treated and make dilutions as given in the table on the right side panel. If a hose-end sprayer is used, be sure it is a lawn type sprayer. If a pressure sprayer is used, do not use high pressure since

leaves growing upright above the normal lawn grass. Make application promptly to prevent seed and tuber formation.

GORDON'S CRABGRASS & NUTGRASS KILLER will control crabgrass, nutgrass, dallisgrass, and sandbur in bluegrass or zoysia lawns. Treat only infested area since some temporary yellowing of the lawn grass may occur.

WHEN TO APPLY: Crabgrass & Nutgrass Killer may be applied anytime when temperatures are above 75° F. Apply early because young plants are easier to kill. If lawn has been infested in past years, a flush of new growth may follow the first application. Repeat treatment as needed.

NOTE: Do not use on St. Augustine, Centipede, or Bahiá grasses.

crabgrass & nutgrass killer

ACTIVE INGREDIENT:

*Monosodium acid methanearsonate 16.6%

INERT INGREDIENTS 83.4%

TOTAL 100.0%

*Total Arsenic (as elemental) all in water soluble form—7.68%.

This product contains 1.6 pounds M.S.M.A. per gallon.

CAUTION: Keep Out of Reach of Children

See Side Panels for Additional Caution Statements

NET CONTENTS ONE GALLON

HOW TO USE: Hose-end Sprayer:—Use a hose-end sprayer designed for treating lawns. Measure the recommended amount of chemical into bottle on sprayer and add water into bottle to desired level.

Young Plants or 80° Weather		Older Plants or 75° Weather		Fill Bottle To	Area To Be Treated
Tbs.	Fl. Oz.	Tbs.	Fl. Oz.	Gallons	Sq. Ft.
2	1	3	1½	1	250

Do not contaminate waters used for domestic consumption, or by wildlife or aquatic life, or for irrigation purposes. Do not apply when weather conditions favor drift from areas treated. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY. Break and bury with other wastes, or discard in a safe place away from water supplies.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals and condition of application equipment, will vary. Seller makes no claims other than those stated on this label.
