G'RENE

TURF FUNGICIDE

the green fungicide

for control of turf diseases

contains [®] DRYENE

ACTIVE INGREDIENT:

4,6-Dichloro-N-(2-chlorophenyl)-1,3,5-triazin-2-amine 50%

INERT INGREDIENTS 50%

TOTAL 100%

DRYENE is a Reg. TM of Mobay Chemical Corporation.

CAUTION: Keep Out of Reach of Children

See Back Panel for Additional
Caution Statements.

EPA REG. NO. 2217-631-AA

EPA EST. NO. 2217-KS-1

NET WEIGHT 4 POUNDS

**DIRECTIONS FOR USE
STORE IN A COOL, DRY PLACE**

**STOP! READ THE LABEL
BEFORE USE.**

G'RENE TURF FUNGICIDE effectively protects grasses from various destructive diseases. Complete and thorough coverage of area is necessary for satisfactory control. For a preventive program begin applications before diseases appear and repeat treatments as needed, usually at intervals of 10 to 14 days, except during extended periods of cool, moist weather, when applications every 7 days may be advisable. The spray program should be continued through the spring and summer months.

For control of snow mold, apply G'RENE at a lower specified rate after the first killing frost in the fall. A second application should be made when the turf is free of snow in mid-winter, and this should be followed by a third application after the final melting of snow in late winter or early spring.

Schedule applications in accordance with local conditions. Consult your State Agricultural Experiment Station or Extension Service for specific use information and for State regulations which may contain additional restrictions or requirements.

RECOMMENDED APPLICATIONS

CROP	DISEASE	POUNDS	REMARKS
Lawns and Turf	Brown Patch	¼ to ½	Apply specified dosage in 5 gallons of water and apply per 1,000 square feet. Repeat at 1 to 2 weeks intervals throughout the spring and summer months.
	Copper Spot		
	Dollar Spot		
	Helminthosporium		
	Leaf Spot		
	Melting-out		
	Rust		
Snow Mold (Typhula)			

CAUTION: Harmful if swallowed or inhaled. Avoid contact with eyes, skin, or clothing. Avoid breathing of dust or spray mist. Wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse. Do not contaminate feed or foodstuffs. Keep out of reach of children. Do not graze treated area. Do not feed clippings to livestock.

This product is toxic to fish. Keep out of lakes, streams, and ponds. Do not apply when weather conditions favor drift from areas treated. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Rinse equipment and dispose of wastes by burying in non-crop land away from water supplies. Dispose of container by burying with wastes or burning (keep out of smoke). Never reuse container.

NOTICE: Seller warrants that this product conforms to the ingredient statements on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary, Seller makes no claims other than those stated on this label.
