

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

WARNING. May be fatal if swallowed. Do not breathe vapor, dust or spray mist. Do not get in eyes, on skin or clothing. In case of skin contact, wash immediately with soap and water. Avoid contamination of feed and food-stuffs.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams and ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from treated areas. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Physical or Chemical Hazards

Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. This product may not be used against any pests not named on the label.

This product may be applied under the direct supervision of a certified applicator who is not physically present at the site of application, but is, nonetheless, available to the person applying the pesticide.
