GORDON'S AMINE 2,4-D TURF HERBICIDE

For Sale To And Use By Commercial Applicators And Professional
Landscapers Only. Not For Sale To Or Use By Homeowners.

ACTIVE INGREDIENT:

*Dimethylamine Salt of 2,4-dichlorophenoxyacetic acid.....	46.4%
INERT INGREDIENTS:.....	53.6%
TOTAL	100.0%

THIS PRODUCT CONTAINS:

*3.8 lbs. 2,4-dichlorophenoxyacetic acid equivalent per gallon or 38.6%.
Isomer Specific by AOAC Method 6 D01-5.

KEEP OUT OF REACH OF CHILDREN

DANGER

See back panel for Precautionary Statements and First Aid.

- KEEP FROM FREEZING -

NET CONTENTS 1.0 and 2.5 U.S. GALLONS

READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.

PRECAUTIONARY STATEMENTS

Hazards To Humans & Domestic Animals

DANGER: Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear goggles, face shield, or safety glasses. Harmful if swallowed or absorbed through skin. Avoid contact with skin. Harmful if inhaled. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

For Residential and Turf Sites Only -

Clothing Requirement Statement: When mixing, loading or applying this product, wear long-sleeved shirt, long pants, socks, shoes, chemical resistant gloves, and eye protection. It is recommended that safety glasses include front, brow, and temple protection.

Personal Hygiene Statement: After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

For Industrial Sites Only-

Clothing Requirement Statement: When mixing, loading or applying this product or repairing or cleaning equipment used with this product, wear eye protection (face shield or safety glasses), chemical resistant gloves, long-sleeved shirt, long pants, socks and shoes. It is recommended that safety glasses include front, brow and temple protection. For aerial applicators in an enclosed cockpit and applicators applying this product from a tractor that has a completely enclosed cab, eye protection is not required.

Personal Hygiene Statements: Wash hands, face and arms with soap and water as soon as possible after mixing, loading or applying this product. Wash hands, face and arms with soap and water before eating, smoking or drinking. Wash hands and arms before using toilet. After work, remove all clothing and shower using soap and water. Do not reuse clothing worn during the previous day's mixing and loading or application of this product without cleaning first. Clothing must be kept and washed separately from other household laundry. Remove saturated clothing as soon as possible and shower.

Engineering Control Statements:

Containers over 1 gallon and less than 5 gallons: Persons engaged in open pouring of this product must also wear coveralls or a chemical resistant apron.

Containers of 5 gallons or more: Do not open-pour from this container. A mechanical system (such as probe and pump or spigot) must be used for transferring the contents of this container. If the contents of a non-refillable pesticide container are emptied, the probe must be rinsed before removal.

First Aid

If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on skin:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.
<p>Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-800-5556 for emergency medical treatment advice.</p> <p>NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.</p>	

ENVIRONMENTAL HAZARDS:

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

Most cases of groundwater contamination involving phenoxy herbicides such as 2,4-D have been associated with mixing/loading and disposal sites. Caution should be exercised when handling 2,4-D pesticides at such sites to prevent contamination of groundwater supplies. Use of closed systems for mixing or transferring this pesticide will reduce the probability of spills. Placement of the mixing/loading equipment on an impervious pad to contain spills will help prevent groundwater contamination.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

STORAGE & DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in original container in a locked storage area inaccessible to children or pets. Keep from freezing.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law and may contaminate groundwater. If these wastes cannot be disposed of by use according to label instructions, contact your state Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities by burning. If burned stay out of smoke.

USE PRECAUTIONS:

- ◆ Do not apply this product through any type of irrigation system.
- ◆ Avoid drift of spray mist onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants. Do not pour spray solution near these plants.
- ◆ Do not spray on bentgrass, St. Augustinegrass, dichondra, or carpetgrass lawns or turf, or where desirable clovers are present. Use coarse sprays as there is less chance of drift.
- ◆ Do not apply to areas underlaid by roots of desirable trees and shrubs.
- ◆ Do not contaminate domestic or irrigation waters.
- ◆ Always use separate equipment for insecticides and fungicides.

- RECOMMENDATIONS FOR TURF -

Use 2.0 to 3.0 pints Gordon's Amine 2,4-D Turf Herbicide in 10 gallons of water per acre. Or use 1.5 - 2.0 tablespoons of product per gallon of water per 1,000 square feet. Apply in spring when weeds are actively growing to obtain maximum control and again in early summer. Do not apply to newly seeded areas until grass is well established. Do not spray new lawns until after first cutting. Clover may be damaged with this spray. Do not use on bentgrass, St. Augustinegrass, dichondra, or carpetgrass lawns.

The maximum application rate to turf is 1.5 pounds 2,4-D acid equivalent per acre per application per site. The maximum number of broadcast applications per treatment site is 2 per year.

DON'T OVERDOSE - Read the label directions and cautions carefully. Do not let spray drift to sensitive plants such as vegetables, grapes, flowers, or other 2,4-D susceptible plants. Boxelder and redbud trees are also injured by spray drift. Use a coarse spray and make treatments only when there is minimum chance of drift.

- RECOMMENDATIONS FOR NONCROPLAND -

To control broadleaf weeds along roads, rights-of-way, drainage ditchbanks, fencerows, and other similar noncrop areas, mix 2.0 to 3.0 pints of product in 20 gallons of water with 5.0 to 8.0 fluid ounces nonionic surfactant and thoroughly wet weed foliage. Treat in the spring and again just before bloom time before weeds go to seed. Repeat the following year.

SUSCEPTIBLE WEEDS (use lower dosage rate)		
Annual Sowthistle	Chicory	Pigweed
Annual Thistle	Dandelion	Ragweed
Bindweed	Knotweed	Vervain
Buckhorn	Kochia	Wild Lettuce
Bull Thistle	Lambsquarters	Wild Radish
Carpetweed		
WEEDS MORE DIFFICULT TO KILL (use higher dosage rate)		
Climbing Milkweed	Healall	Nettle
Dogfennel	Mallow	Wild Aster
Ground Ivy	Mouseear Chickweed	Wild Onion

LIMITED WARRANTY AND DISCLAIMER.

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
