

STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Do not breathe dust. Do not allow contact with eyes or skin.

Statement of Practical Treatment

If Swallowed: Induce vomiting by drinking water and touching back of throat with finger.

If Inhaled: Remove to fresh air.

If In Eyes: Rinse with water for 15 minutes.

If On Skin: Wash with soap and water.

Environmental Hazards

Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

STORAGE: Store in original container in a locked, cool storage area. Keep bag tightly closed. Reseal bag by rolling top down to product level and taping or clipping. Do not store near seeds, bulbs, or in greenhouses.

PRODUCT DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash. **CONTAINER DISPOSAL:** Do not reuse bag. Discard bag in trash.

BEFORE APPLICATION.

- Remove existing weeds.
- Thoroughly work and smooth the area to be treated.
- Carefully measure area to be treated and determine the number of square feet.

NOTE: If area to be treated is large, it should be divided into smaller sections, and each treated individually.

APPLICATION AND RATE:

Apply granules uniformly on the surface of the soil or to the surface of water. For application to lawns, 20 square feet to be treated. The 20 ounce shaker package treats 270 square feet, the 5 pound bag treats 1,080 square feet. As a guide for proper application and uniformity of distribution of granules, consult the following diagram.

For uniform application, the granules should be applied in a uniform pattern. The granules may cause injury to plants if applied in excess. For uniform application, the granules should be applied in a uniform pattern. The granules may cause injury to plants if applied in excess.

This product should not be used on sloping areas, as runoff may result in injury to lawn or other plants in adjacent areas.

AFTER APPLICATION

Unless the soil is wet, sprinkle lightly to moisten the soil 1/4 to 1/2 inch deep. Do not flood, avoid puddling and washing.

Avoid disturbing soil in the treated area as long as weed control is being maintained.

USE PRECAUTIONS:

Use only on the ornamental plants listed on the label. Do not apply to transplants or cutting beds or to newly set transplants, and do not seed or transplant into treated areas. Do not use on extremely light sandy soils. Do not use on plants, any part of which is used for human or animal consumption. This product, when applied to the soil as directed, will give selective control of annual grassy and broadleaved weeds and certain perennial weeds such as:

Annual Bluegrass	Festool	Plantain
Bluegrass	Glaucous	Purslane
Bull Thistle	Groundsel	Ragweed
