OVERLAND PARK, KS 66212

OFFICE OF  
PREVENTION, PESTICIDES AND  
TOXIC SUBSTANCES

SUBJECT: Label Amendment Submission of 01/04/94 in Response to PR Notice 93-7  
EPA Reg. No. 2217-692  
GORDON'S PROFESSIONAL TURF PRODUCTS TEREMEC SP TURF  
FUNGICIDE

Dear Registrant:

The labeling cited above and submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, successfully **REMOVES THE PRODUCT FROM THE SCOPE** of PR Notice 93-7 once the comments (if any) on the attached sheet are addressed. Other than the alterations (if any) listed on the attached sheet, no further alterations to the labeling are necessary to reflect the requirements of the Worker Protection Standard.

Since your amendment proposes to delete uses directly and/or to delete uses implicitly through the use of exclusionary statements, the Agency will publish in the Federal Register a notice of receipt of your amendment to delete uses, as required by section 6(f)(1) of FIFRA. The Agency will defer action for 90 days from the date of the Federal Register notice to give affected minor users an opportunity to try to persuade you to retain the uses(s). When the comment period has expired, the Agency will approve the amendment unless you have withdrawn it, and stamp the amended labeling "accepted." Your stamped-accepted labeling will then be sent to you.

As described in Supplement A of PR Notice 93-11 (self-verification option), you may sell and distribute product bearing the submitted labeling before you receive a copy of your stamped-accepted labeling. Note that your registration is not amended until the comment period required by section 6(f)(1) of FIFRA has expired and the Agency has approved the amendment. Therefore, you may withdraw your proposed amendment at any time during the comment period and until you receive your stamped-accepted labeling.

Sincerely,

*[Handwritten Signature]*  
James Tompkins, Deputy Chief  
Registration Support Branch  
Registration Division (7505W)

**STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.**

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** May irritate eyes, nose, throat, and skin. Avoid breathing dust or spray mist. Avoid contact with eyes, skin, or clothing. Do not graze or feed clippings from treated areas to livestock.

**Statement of Practical Treatment**

**IF SWALLOWED:** Induce vomiting by drinking water and touching back of throat with finger.

**IF INHALED:** Remove to fresh air.

**IF IN EYES:** Rinse with water for 15 minutes.

**IF ON SKIN:** Wash with soap and water.

**Environmental Hazards:** For terrestrial uses, do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

**STORAGE & DISPOSAL**

**STORAGE:** Store in original container in a locked storage area inaccessible to children or pets.

**PESTICIDE DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**- TURF DISEASES -**

Do not apply this product through any type of irrigation system

**SNOW MOLD -** For the control of Snow Mold (*Typhula spp.*), apply 6 to 9 ounces of TEREMEC® SP per 1,000 square feet in sufficient water to give complete coverage, usually 3 to 5 gallons. Apply as a spray as late in the fall as possible prior to snowfall.

**PYTHIUM BLIGHT -** For control of pythium blight on established turf, apply TEREMEC® SP as a preventative at a rate of 4 ounces per 1,000 square feet in 3 to 5 gallons of water. Apply during periods of high temperature and humidity favorable to the development of disease. Repeat in 5 to 7 days if conditions persists.

For the control of pythium blight on new seedlings, apply TEREMEC® SP at the rate of 4 ounces per 1,000 square feet following emergence. If conditions remain favorable to the development of disease, repeat in 7 to 10 days.

**SOUTHERN BLIGHT/ *Sclerotium rolfsii* -** For control of southern blight on established turf, apply TEREMEC® SP as a preventative treatment at a rate of 4 ounces per 1,000 square feet in 3 to 5 gallons of water. Apply during periods of high temperature and humidity favorable to the development of disease. Repeat in 5 to 7 days if conditions persist.

For the control of sclerotium blight on new seedings, apply TEREMEC® SP at the rate of 4 ounces per 1,000 square feet following emergence. If conditions remain favorable to the development of disease, repeat in 7 to 10 days.

**BROWN PATCH (RHIZOCTONIA BLIGHT)** - For warm season lawns and turfs (such as zoysiagrass, St. Augustinegrass, bermudagrass and similar grasses) apply in the fall or spring at the first signs of infection. Mix 5 ounces TEREMEC® SP in 10 to 15 gallons of water to thoroughly cover 1,000 square feet. Make a second application in 3 to 4 weeks if the disease is severe or reappears.

For cool season lawns and turfs (such as creeping bentgrass, annual bluegrass, fescue and similar grasses) apply at first signs of infections. Mix 3 to 4 ounces TEREMEC® SP in 3 to 5 gallons of water to thoroughly cover 1,000 square feet. Reapply every week to 10 days during warm, damp weather.

**NOTICE:** Do not graze or feed clippings from treated areas to livestock.

**LIMITED WARRANTY AND DISCLAIMER.**

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
