US ENVIRONMENTAL PROTECTION AGENCY  
OFFICE OF PESTICIDES PROGRAMS  
REGISTRATION DIVISION (TS-767)  
WASHINGTON, DC 20460

2217-720	APR 15 1987
TERM OF ISSUANCE	
Conditional	
NAME OF PESTICIDE PRODUCT	
Trimec 869	

**NOTICE OF PESTICIDE:** ☒ REGISTRATION  
REREGISTRATION  
(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)	
PhI/Gordon, Inc. 1217 West 12th Street P.O. Box 4090 Kansas City, MO 64101	

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. The registrant is hereby notified that the pesticide is registered under the Federal Insecticide, Fungicide, and Rodenticide Act, and is hereby authorized to use the name of the pesticide in connection with the registration of the product.

2. The registrant is hereby notified that the pesticide is registered under the Federal Insecticide, Fungicide, and Rodenticide Act, and is hereby authorized to use the name of the pesticide in connection with the registration of the product.

3. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 2217-720" to the label.
- b. The statement of Practical Treatment for eye exposure must be moved to the front panel and preceded with the signal word "DANGER" and child hazard warning as required for all exposure routes in the Toxicity I Category.
- c. Revise Statement of Practical Treatment for oral exposure as follows:

If Swallowed: Drink promptly a large quantity of milk or water. If these are not available, drink a solution of 1 part of 10% sodium bicarbonate solution to 3 parts of water.

available, drink large quantities of water. Avoid alcohol. Do not induce vomiting or give anything by mouth to an unconscious person.

- d. Add the following remark below the Statements of Practical Treatment:

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

- e. Incorporate the label revisions specified on page 2 of our letter dated September 26, 1986.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

STOP! READ THE ENTIRE LABEL FIRST.  
OBSERVE ALL PRECAUTIONS AND FOLLOW  
DIRECTIONS CAREFULLY.

#### PRECAUTIONARY STATEMENTS

##### Hazards to Humans & Domestic Animals

**DANGER:** Corrosive, causes damage to eyes. Do not get into eyes, on skin or clothing. Wear goggles or face shield when handling. Harmful if swallowed or inhaled. Avoid exposure to spray mist. Wash thoroughly after handling.

##### -Statement of Practical Treatment-

If In Eyes: In case of eye contact, immediately flush eyes with plenty of water for 15 minutes. Call a physician at once.

If Swallowed: Drink one or two glasses of water. Induce vomiting by touching back of throat with finger. Call a physician at once. Do not induce vomiting or give anything by mouth to an unconscious person.

If Inhaled: Remove victim to fresh air and apply respiration if indicated.

If On Skin: Wash promptly with soap and water. Rinse thoroughly.

##### Environmental Hazards

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift away from target area.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

## STORAGE & DISPOSAL

Storage: Store in original container in a locked storage area inaccessible to children or pets. Keep from freezing. To prevent cross-contamination, do not store near other herbicides, fertilizers, insecticides, fungicides, or near seeds.

Pesticide Disposal: Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinse is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Yarrow

and many other broadleaf weeds in lawns & turf.

OTHER USE PRECAUTIONS.

OBSERVE CAREFULLY.

1. Avoid drift of spray mist onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants.
2. Do not pour spray solutions near these plants.
3. Do not use on Lippia or dichondra nor on lawns or turf where desirable clovers are present.
4. Use only lawn-type sprayers.
5. NOTE: Coarse sprays are less likely to wind-drift.
6. Do not spray roots of trees and ornamentals. Do not exceed specified dosages for any area; ~~be particularly careful~~ *do not* within the dripline of tree and other ornamental species
7. Do not spray while grass is emerging from dormancy.
8. Do not apply to newly seeded lawns until well established.
9. Do not spray when air temperature exceeds 85 F.
10. Seed can be safely sown 3 to 4 weeks after application.
11. Do not contaminate domestic or irrigation waters.
12. Be careful not to overdose on Centipede or St. Augustine grass lawns.
13. After using this product, clean sprayer with soap or detergent and water, and rinse thoroughly before applying other pesticides.
14. Failure to observe the above precautions may result in injury.

How Much to Use & Where:

*SP*  
Bermudagrass & Bentgrass---Use one quart per acre. Do not overdose closely-mowed bentgrass. Read the use precautions and observe carefully. Do not use more than the recommended rate.

Bluegrass, Fescue, & Zoysia---Use 3 to 4 pints per acre.

Centipede & St. Augustine---Use 1 to 1 3/4 pints per acre. Repeat after 3 weeks if necessary. Do not overdose or apply during hot summer months. These species are sensitive. It is important to use great care in spraying, *added*

General:

*add'l info*  
Mix GORDON'S TRIMEC(R) 869 BROADLEAF HERBICIDE FOR SENSITIVE GRASSES in sufficient water for good coverage. Use higher rates when weeds are dense or in flower. If hardy weeds persist, make a second application after three weeks. Apply when weeds are young and actively growing. Avoid applications during long excessively dry or hot periods. When grasses are under stress use reduced rates to reduce potential injury. Do not irrigate within 24 hours of application. Do not apply to newly seeded turf until after the first mowing. Seed can be safely sown 3 to 4 weeks after application at recommended rates.

WARRANTY:

The manufacturer warrants that the chemical composition conforms to the ingredient statement given on the label and that this product is suited for the labeled uses when applied according to label directions. Because of widely varying use conditions, it is impossible to eliminate all risks even when label directions are followed. Therefore, the manufacturer makes no other implied or express warranty nor is any agent of the manufacturer allowed to do so. Upon purchase of this product, the buyer assumes all risks associated with use of this product. In the event of damage resulting from a breach of warranty the buyer agrees to accept a refund of the purchase price of the product as full discharge of the manufacturer's liability.
