PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wear long pants, long-sleeved shirt and shoes when applying this product. Wear goggles when applying this product.

When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

In case of contact with eyes, immediately flush with plenty of water. If on skin, wash with soap and water. If irritation develops, get medical attention. Wash hands before eating or smoking and after each use. Avoid contamination of food or feedstuffs.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: In case of eye contact, immediately flush eyes with plenty of water. Call a physician at once.

IF ON SKIN: Wash promptly with soap and water. Rinse thoroughly. If irritation develops, get medical attention.

IF SWALLOWED: Drink one or two glasses of water, induce vomiting by touching back of throat with finger. Call a physician at once. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and apply respiration if indicated.

Environmental Hazards: This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. For terrestrial uses, do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from target area.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment areas until spray has dried or dust has settled.

STORAGE & DISPOSAL

STORAGE: Store in original container in a locked storage area inaccessible to children or pets. Keep from freezing.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.

USE PRECAUTIONS: Do not allow spray to drift onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants since injury may result. Avoid "fine-mist" sprays. Coarse spray droplets are less likely to wind-drift and cause damage to non-target plants. Do not spray roots of desirable trees and shrubs.

HOW TO USE: Shake well before use.

Use TRIMEC® 814 READY-TO-USE BRUSH KILLER for spot treating individual plants. For best control of the brush and weed species listed on the label, spray each plant until it is wet.

This product may be applied to brush and broadleaf weeds around farm premises in such areas as fence lines, in the yard, around building and equipment, along walkways, driveways and equipment parking areas. Be careful not to spray this product in a manner which will allow drift of the spray onto desirable broadleaf plants such as tomatoes, grapes and ornamental plantings.

For best results apply when brush and weeds are actively growing. Do not water within 24 hours of application.
