1217 West 12th Street  
Kansas City, MO 64101

17 AUG 1992

Dear Dr. Armbruster:

Subject: Response to DEET LIP  
Bug Stop Lotion  
EPA Reg. No. 2217-779  
Bug Stop Pump Spray  
EPA Reg. No. 2217-780 ✓  
Submission dated August 3, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

While we encourage its use elsewhere on the label, the term "DEET" must be deleted from the active ingredient label declaration.

Although we would prefer inclusion, we have determined that it is acceptable to remove the statement, "If you go to a doctor, take this repellent with you". You may remove this statement from your label without submitting an amendment.

Sincerely,

*RFM*  
Richard F. Mountfort  
Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (H7505C)

STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS  
AND FOLLOW DIRECTIONS CAREFULLY.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans:

**WARNING:** May cause eye injury. Do not get in eyes. Harmful if swallowed. Avoid contact with lips. Do not apply to excessively sunburned or damaged skin. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this repellent with you.

### STATEMENT OF PRACTICAL TREATMENT

**IF IN EYES:** Flush eyes with plenty of water. Get medical attention.

**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

#### PHYSICAL OR CHEMICAL HAZARDS:

**FLAMMABLE!** Keep away from heat, sparks, or open flame.

### DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

### STORAGE & DISPOSAL

**STORAGE:** Store in cool, dry area away from heat and open flame.

**PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse container. Rinse thoroughly before discarding in trash.

### READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

- \* Spray on exposed skin and/or clothing. For ticks and chiggers, spray shoe tops, socks and around openings in clothing.
- \* Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness.
- \* Do not spray in enclosed areas.
- \* Do not apply over cuts, wounds, or irritated skin.
- \* Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. To apply to face, spray on hands and rub on. Repeat as needed.
- \* After returning indoors, wash treated skin with soap and water. Wash treated clothing.

Product may damage some synthetic fabrics, vinyl, painted or varnished surfaces, and certain plastics such as eyeglass frames and fishing rods. Will not damage cotton, nylon, or wool.

Satisfaction guaranteed or your money back.
