- c. Remove the substatement ("Includes perfuse . . .") from the ingredient statement and place it outside the ingredient statement.
- d. If you wish to retain "Total . . . 100%," it should be located beneath the statement referred to in (b) above.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

The revised Confidential Statement of Formula dated March 16, 19d9 agrees with the label and is acceptable. All product chemistry data requirements have been satisfied.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
