DANGER—POISON—PRECAUTIONS

POISONOUS IF SWALLOWED
This product can kill you if swallowed even in small amounts. Spray mist or dust may be fatal if swallowed.

POISONOUS BY SKIN CONTACT
Poisonous if touched by hands or spilled on skin, in eyes or on clothing (liquid goes through clothes).

POISONOUS IF BREATHED
Breathing vapors, spray mist or dust may be fatal.

POISONOUS TO FISH AND WILDLIFE
This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of any body of water. Do not apply when weather conditions favor drift from treated areas. Do not apply where runoff is likely to occur.

DIRECTIONS FOR USE
Parathion 4 Emulsifiable Concentrate must be mixed readily with water for use as a spray to control insects. It is not to be used in or on food or feed crops. The container shall be marked with a poison symbol and must be used in a manner consistent with the label. The product contains paraquat and must be applied only by trained and experienced operators. Do not use the product in areas where children, pets, or other pests are likely to be present.

Adequate ventilation is required when applying the product. Keep out of reach of children. Call a doctor if poisoning occurs.
