DANGER: KEEP OUT OF REACH OF CHILDREN

ACTIVE INGREDIENTS

Sodium Fluoride

38.80%

Pyrethrins

.35%

INERT INGREDIENTS:

60.85%

TOTAL

100.00%

WARNING: May be fatal if swallowed. Do not breathe dust. Do not contaminate feed and foodstuffs. Keep out of reach of children and domestic animals. Wash thoroughly with soap and water after handling. Clean up spillage promptly.

ANTIDOTE: White of egg, milk, lime water. Induce vomiting. Call a physician immediately.

DIRECTIONS: ROACHES. Use as a spot application on infested surfaces behind sinks, refrigerators, stoves, cabinets, and other areas not accessible to children and pets. Fluo-Pyre may also be applied to cracks and crevices in areas not accessible to children and pets. Any powder visible after application is completed, should be carefully brushed into cracks and crevices, or else removed.

DO NOT RE-USE THIS CONTAINER: Completely empty the contents and dispose of the unused product so that there is no possibility of contamination of feed, food, or water supplies. Crush the empty container and dispose of it in a similarly safe manner.

Do not use in commercial food preparation areas or in edible product areas of food processing plants.
