DIRECTIONS:

WATER CLOSETS AND URINALS: Use three ounces of disinfectant to a gallon of water. Apply freely to all surfaces to be disinfected and scrub the exposed areas.

GARBAGE: To deodorize, sprinkle with solution mixed 1/2 cup to a gallon of water. Wash the empty can with some of the solution and leave the wash in it.

Every batch of Wincide Pine Odor Disinfectant is tested for germicidal strength in a modern bacteriological laboratory—but before these tests are made the raw materials are checked in our chemical laboratories and the finished product is then double checked.

CAUTION: UNDILUTED PRODUCT MAY CAUSE SKIN IRRITATION. CONTAINS POTASSIUM *O*-BENZYL *P*-CHLOROPHENATE.

KEEP OUT OF REACH OF CHILDREN

Avoid contact with skin, eyes, or clothing. In case of contact, immediately flush skin or eyes with plenty of water. For irritated eyes, get medical attention. Scrub skin thoroughly with soap and warm water.
