### **DIRECTIONS**

#### **TO PROTECT CLOTHES, FURS, BLANKETS, WOOLENS AND RUGS FROM CLOTHES MOTHS AND CARPET BEETLES — FOLLOW DIRECTIONS:**

**FIRST**, brush and clean (free from grease) the articles to be stored.

**IN TRUNKS AND CHESTS** — Sprinkle between the garments and folds. Use at least 4 ounces in small chest or trunk — 1 by 2 by 3 feet in size.

**IN CLOSED CLOSETS** — Sprinkle over shelf and floor. Use at least 1 lb. for small closets — about 7 by 2 by 2 feet in size. Use more for larger closets and trunks.

Keep closets or trunks closed and as airtight as possible until garments are taken out for use. Supply should be replenished from time to time.

**RUGS** — After cleaning, sprinkle over the entire surface of rug, 1 lb. for 8 by 10 feet rug, roll, and wrap in heavy paper and seal.

**TO PREVENT MILDEW DAMAGE** — Use at least one ounce to each three cubic feet of tightly enclosed space. Use only in airtight containers or sealed closets.

**CAUTION** — Do not use AMR PARA NUGGETS or CRYSTALS with any other moth preventive or other substance. Avoid prolonged breathing of vapor. Avoid prolonged or repeated contact with skin. Not to be used with Vinyl plastic products. High temperature will cause product to melt. Do not store where temperature can exceed 90 degrees F.
