## OUTDOOR DOG & CAT REPELLENT

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

Apply directly on lawns. Apply approximately 1 ft. away from other plants, flowers, foliage and painted surfaces. Do not apply to dichondra or unusual ground covers.

**AS A DOG REPELLENT:** To prevent defecation on lawns by dogs on lawns or around hedges, trees, shrubs or vines, remove old fecal material and sprinkle JINX evenly on the affected area using 1 lb. per 100 sq. ft. Reapply at least once per week or until dogs no longer defecate the area. Resume treatment if problem reoccurs.

**AS A CAT REPELLENT:** To prevent cats digging in flower and vegetable gardens, lawns and under bushes, fill existing holes and apply evenly on the affected area at the rate of 1 lb. per 55 sq. ft. Reapply at least once a week until the digging stops. Resume treatment if problem reoccurs.
