**OUTDOOR  
DOG & CAT  
REPELLENT**

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**USE RESTRICTIONS**

For use as a repellent against dogs and cats. Do not apply on plants intended for food or feed. Do not apply to dichondra or unusual ground covers.

**SPECIAL INSTRUCTIONS FOR LAWNS**

Apply directly on established lawns. For new lawns, spread over soil after it has been seeded. Roll and water immediately. Apply a 2" wide band around plant flowers, foliage and painted surfaces. Spread 6" away from plants or trees. Wet well so that the repellent will adhere to the soil.

**AS A DOG REPELLENT:** To prevent defecation or urination by dogs on lawns, flower and vegetable gardens, around hedges, trees, shrubs or vines, remove old fecal material and sprinkle evenly on the affected area using 1 lb. per 40 sq. ft. Reapply at least once per week or until dogs no longer defecate the area. Resume treatment if problem reoccurs.

**AS A CAT REPELLENT:** To prevent cats digging in flower gardens, lawns, beside vegetable gardens and under bushes, fill existing holes and apply evenly on the affected area at the rate of 1 lb. per 40 sq. ft. Reapply at least once a week until the digging stops. Resume treatment if problem reoccurs.
