**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC
ANIMALS**

CAUTION

Harmful if swallowed or inhaled. May cause irritation of eyes, nose, throat and skin. May cause allergic skin reaction. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Consumption of alcohol before or after exposure to thiram may result in symptoms of nausea, vomiting, fatigue or flushing. In case of contact, wash skin with plenty of soap and water, for eyes, flush with water for 15 minutes and get medical attention.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Use with care when applying in areas adjacent to any body of water. Keep out of lakes, streams or ponds.

RODENT REPELLENT

EASY TO USE — FORMULATED TO ADHERE

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

For use against rabbits, meadow mice (*Microtus* spp.), chipmunks, and deer to reduce their gnawing damage to shrubs, ornamentals, and dormant fruit trees. Do not apply to plant parts that will be eaten by humans or domestic animals. Apply only when foliage is dry.

APPLICATION DIRECTIONS

Do not dilute. Shake well before using. Spray thoroughly or apply with a brush on all foliage, bark and twigs to be protected. Thoroughly cover area well above the reach of animals. It may be necessary to apply frequently to protect new growth. During summer months repeated applications may be necessary. For protection of dormant trees, apply on twigs and trunk to a height of 5 ft. following leaf fall.

Rinse sprayer thoroughly with water after using to prevent clogging.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.
