ACCEPTED
WITH COMMENTS
in EPA Letter Dated:

OCT 17 1988

Under the Federal Insecticide,
Fungicide and Rodenticide Act as
amended, for the pesticide
registered under EPA Reg. No.

A multipurpose product that cleans, disinfects, and deodorizes, designed for use in hotels, motels, office buildings, schools, food industries, factories, institutions, homes, restaurants, and public restrooms. This product is broad spectrum in its microbiological activity and is effective against gram positive and gram negative bacteria including S. Aureus, S. Typhosa, and Pseudomonas Aeruginosa, and fungicidal against pathogenic fungi. It is especially adapted to eliminate bacterial odors and many non-bacterial odors.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

For cleaning, disinfecting and deodorizing floors, cabinets, sinks, bathtubs, shower rooms, urinals, toilets, refrigerators, stoves, garbage cans, bathroom areas, basements, rubber goods, brushes, scissors, and razors: Use 2 ounces per gallon of water.

If a Pseudomonocidal product is required: Use 3 ounces per gallon of water. For best results, apply with a cloth, mop or brush. For heavy soil or organic matter, a pre-cleaning step is recommended.

For toilet Bowls: Remove bowl water before disinfecting and swab entire bowl with use dilution.

For Regular Cleaning : Use 1 ounce per gallon of water.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals

DANGER

Keep Out Of Reach Of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, ears, or on clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food, beverages and work or laminated clothing.

STATEMENT OF PRACTICAL TREATMENT

Immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink 1 cup of milk, gelatin or if these are not available, drink large quantities of water and call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

STORAGE AND DISPOSAL

Do Not Contaminate Water, Food Or Feed By Storage Or Disposal. Storage: Store in a dry place between 50°F and 120°F.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal Law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not reuse empty container. Triple rinse empty container with water. Rouse metal drum, then offer for recycling or repair, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State or local authorities. Plastic containers may be disposed of in a sanitary landfill, incinerated or, if allowed by local authorities, by burning. If burned, stay out of smoke.
