PHILADELPHIA, PA 19123

Net Contents: 5 gallons / 18.93 Liters

This product is a concentrated non-phosphated detergent, disinfectant, fungicide and deodorizer specifically designed for institutional uses such as; hospitals, nursing homes, and schools, where housekeeping will be of prime importance in controlling the hazards of cross-infection.

For use on floors, walls and other hard surfaces in hospitals, nursing homes, hotels, public areas, industrial areas, and in institutions. Excellent for operating rooms, rest rooms, nurseries, and food service areas. For cleaning, disinfecting and deodorizing floors, walls, cabinets, sinks, bath tubs, urinals, toilet seats, bed pans, all washroom and bathroom fixtures, shower rooms, refrigerators, stoves, garbage cans and telephones.

When used as directed, this product is effective against Staphylococcus Aureus, Salmonella Choleraesuis and Pseudomonas Aeruginosa. It is also effective against pathogenic fungi, Trichophyton Interdigitale.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW
TO USE THIS PRODUCT IN A MANNER
INCONSISTENT WITH ITS LABELING

Use at 1/2 ounce per gallon of water for effectiveness against Pseudomonas aeruginosa and pathogenic fungi

For best results, use with a cloth or mop, and apply to walls, floors and other hard surfaces. Allow to remain wet for 10 minutes and let air dry

When used on environmental hard surfaces at 1/2 oz. per gallon of water, this product is effective against Influenza A2, Herpes Simplex Type 1 (causative agent of fever blisters), Adenovirus Type 5 and Vaccinia. For heavy soil or organic matter, a pre-cleaning step is recommended.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals

DANGER

Keep Out Of Reach Of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, skin, or on clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink promptly a large quantity of water, do not induce vomiting, avoid alcohol. Get Medical Attention.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Do Not Contaminate Water, Food Or Feed by Storage Or Disposal
Storage: Store in a dry place between 50 F and 120 F

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of according to label instructions contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Environmental Hazards: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Container Disposal: Do not reuse empty container. Triple rinse empty container with water. Rinse metal drum, then offer for reconditioning, repair, purchase and disposal in a sanitary landfill, or by other procedures approved by State or local authorities. Plastic metal cans may be recycled in a sanitary landfill, or by other procedures approved by State or local authorities. Do not burn.
