DISINFECTANT-DEODORANT-GERMICIDE-CLEANER

An effective disinfectant and deodorant against gram-negative bacteria for hard, nonporous, inanimate surfaces in non-medical areas. This product is especially recommended for use in apartment buildings, households, schools, office buildings, and industrial plants for disinfecting floors, walls, sinks, bathrooms, toilets, urinals and outhouses. Can be used as a deodorant which is noticeable from 1 to 3 hours after use.

It is instantly soluble in water forming a milky white emulsion which does not separate on standing. When mixed with water in recommended dilutions does not stain the walls, floors, or clothes, and leaves a pleasant and fragrant odor of pine.

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

Do not apply this product in a way that will contact other persons. Only protected handlers may be in the area during application.

DISINFECTION: Thoroughly clean surface prior to application. Add 2 ounces per gallon of water and apply on the pre-cleaned surface. Allow the surface to remain wet for at least 10 minutes. Excellent for use in bathroom, kitchen, laundry or cleaning floor, walls, and woodwork. Leaves a clean pine fragrance. **FOR HEAVILY** soiled surfaces use a solution of 8 ounces per gallon of water to thoroughly clean the surface.

DEODORIZATION: Remove water from toilet bowls. Swab all bowl and urinal surfaces with 2 ounces per gallon of solution making sure to get under the rim. This will help control all types of environmental odors. Use fresh solution each day or when it becomes soiled or diluted.

GENERAL CLEANING: Use a dilution of 4 ounces per gallon of water as a cleaning solution for cabinets, shelves, locker rooms, and store rooms. Will help to control mildew and leave a sweet pine odor.

STORAGE AND DISPOSAL

Do Not Contaminate Water, Food Or Feed By Storage Or Disposal.

PESTICIDE STORAGE: Store in a dry place between 50°F and 120°F.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of according to label instructions contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

(Plastic Containers) **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals

WARNING. Causes substantial but temporary eye injury. Harmful if inhaled. Do not get in eyes, or on clothing. Avoid contact with skin. Avoid breathing spray mist. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- socks and shoes
- goggles or face shield, and
- chemical resistant gloves (such as barrier, laminate or butyl nitrile/neoprene rubber, PVC, viton at ≥ 14 mils)

User Safety Requirements

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations

Users must wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. User must remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users must remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth if possible.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 1-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS: This product is corrosive to steel.
