

**A BROAD SPECTRUM
GERMICIDAL CLEANER**

GLD is a modern BROAD SPECTRUM Germicidal Cleaner formulated specifically to CLEAN, DISINFECT, and DEODORIZE efficiently in a single operation. — Highly effective in killing most gram-negative and gram-positive microorganisms, and odor producing bacteria, in particular S-aureus, S-typhosa, E-coli, S-pyogenes, M-smegmatis, S-schottmulleri, S-paradysenteriae, S-choleraesuis, and fungi. When allowed to dry without rinsing it imparts a residual bacteriostatic film to the surface.

Excellent deodorant for use in toilet rooms, urinals, etc.

DIRECTIONS

GLD is recommended as a Germicidal Cleaner for use in Hospitals, Institutions, Schools and all other areas where disinfecting is most essential. Because of its detergent additives, it revitalizes floors, restores their natural beauty by removing accumulations of dirt and metallic soap scum.

General Cleaning and Disinfecting:
Use 2 oz. GLD to each gallon of water

Heavy Duty Cleaning and Disinfecting:
Use 3-4 oz. GLD to each gallon of water.

Apply this solution so as to wet thoroughly all surfaces to be cleaned and disinfected.

Prevention of Athlete's Foot: To aid in preventing the spread of athlete's foot fungi use 3-4 oz. of GLD per gallon of water for mopping floors of locker rooms, swimming pools, showers, etc.

Contains Biodegradable Detergents.
