

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GLD is recommended for use in Hospitals, Institutions, Schools and all other areas where disinfecting is most essential. Because of its detergent additives, it revitalizes floors, restores their natural beauty by removing accumulations of dirt and metallic soap scum.

For heavy soiled areas a precleaning step is required and recommended. After cleaning use 2 oz. GLD to each gallon of water.

Apply this solution so as to wet thoroughly all surfaces to be cleaned and disinfected. Allow to remain wet for a minimum contact time of 10 minutes and then let air dry.

Athlete's Foot Fungi: To aid in preventing the spread of athlete's foot fungi use 3 to 4 oz. of GLD per gallon of water for mopping floors of locker rooms, swimming pools, showers, etc.

A BROAD SPECTRUM GERMICIDAL CLEANER

GLD is a modern Broad Spectrum Germicidal Cleaner, formulated specifically to clean, disinfect, and deodorize efficiently. Highly effective in killing most gram-negative and gram-positive microorganisms, and odor producing bacteria, in particular S-aureus, S-typhosa, E-coli, S-schlotmuellen, S-paratyphosa, S-cholerae-sus, and fungi. When allowed to dry without rinsing it imparts a residual bacteriostatic film to the surface.

Excellent deodorant for use in toilet rooms, urinal, etc.

Not Reviewed. Registrant claims to be in accordance with Reregistration of Pesticide Product Guidance for Phase 2 Response, Page 2.12. Active to Inert Change in Status

PRECAUTIONARY STATEMENT
HAZARD TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes eye or skin irritation. Avoid contact with eyes, skin and clothing. Harmful if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT: If swallowed, drink large quantities of water. Call a physician. In case of contact, flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Store only in original container. Do not reuse empty container. Keep the product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinseate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: [Larger than 1 gal.] - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. In addition, plastic containers may be disposed of by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke. [1 gal. and smaller] - Do not reuse container. Wrap container and put in trash.
