# SAN-O-CAN

Add one or two ounces of SAN O CAN to your garbage can. Amount to be added is determined by the size and condition of the receptacle. For empty cans, sprinkle about one ounce of SAN-O-CAN into receptacle and close lid tightly. For partially filled cans, sprinkle about one ounce of SAN O-CAN on top of garbage. For filled cans, sprinkle about 2 ounces of SAN O CAN over the top surface of garbage.

For best results, garbage cans should be in good condition and the lid or tightly at all times.

Due to high temperature, the contents of SAN O CAN may form a crust or cake. Simply strike the side of the can to restore free flow.

May be harmful if swallowed. Avoid prolonged breathing of vapor. Avoid contact with eyes. Do not contaminate feed or food stuffs. Destroy Container when empty.
