NET WT. 18 OZ. (1 LB. 2 OZ.)

DISINFECTS

Kills most disease germs. Destroys Influenza Virus and dangerous Streptococcus, Staphylococcus and Pseudomonas Germs on environmental surfaces.

DEODORIZES

Unlike ordinary air refreshers that mask household odors with heavy perfume, DeMert Disinfectant Spray neutralizes odors in the air and attacks the odor source by killing most bacteria on household surfaces.

DIRECTIONS

To eliminate odors in the air, spray towards ceiling and upper corners of room for 3 to 10 seconds. Spray odor sources as directed below for "disinfecting."

To disinfect household surfaces:

1. Hold can upright 6-8 inches from surface.
2. Spray a few seconds—cover with mist. Excellent for kitchen, bathroom, nursery, bedroom. Use on basins, tubs, toilets, garbage cans, diaper pails, pet areas, telephones, toys, hampers.

PREVENTS MOLD AND MILDEW ON HARD SURFACES

DIRECTIONS

1. Spray surfaces until moist.
2. Repeat application if new growth appears.

CAUTION—FLAMMABLE MIXTURE

DO NOT USE NEAR FIRE OR FLAME. Contents under pressure. Do not puncture. Storage near heat or in sun, or discarding can in fire or incinerator may cause bursting. Avoid contact with food. Rinse with water anything that will come in contact with baby's mouth. KEEP OUT OF THE REACH OF CHILDREN.

Do not use on polished wood furniture, shellacked, lacquered or other surfaces damaged by alcohol or on rayon fabrics.
