DeMert

**ALL-WEATHER
 REDWOODIZER**

RICH REDWOOD FINISH FOR ALL WOOD

All-Weather REDWOODIZER

Redwoodizer is a penetrating sealer, pigmented to produce a simulated California redwood finish. DeMert ALL-WEATHER REDWOODIZER wears very well; allows the natural grain of the wood to show. One coat is sufficient on certain woods; others require two coats. Two coats will produce a longer-lasting finish. Further coats may be applied if desired.

Use outdoors on fences, house trim porches, eaves, outdoor furniture. Be sure furniture is completely dry before using.

For effective termite control, the wood should be treated before construction so that all sides, edges and ends are effectively coated.

Lumber to be used in contact with soil should be dipped in REDWOODIZER for a minimum of three minutes. If applied with a brush or spray method, two or more flowing coats of DeMert's ALL-WEATHER REDWOODIZER are necessary.

DeMERT & DOUGHERTY, INC., Chicago, Illinois 60650

**Seals, stains and protects!
 Contains Penta, the wood preservative.
 Makes wood resist rot,
 decay, termites!** USDA REG. NO. 2337-63

**DAINGER: HARMFUL OR FATAL IF SWALLOWED!

Directions:

Stir material thoroughly. Be
 sure area to be painted is clean
 and free of wax, grease or
 other similar substances. De-
 Mert's ALL-WEATHER RED-
 WOODIZER is ready to use;
 no thinning is necessary. Flow
 on evenly. Brush out brush
 marks and runs. Allow at least
 twenty-four hours between
 coats. Use paint thinner to
 clean brushes. Brush with the
 grain of the wood.

Warning:

Volatile; provide adequate ventilation. Keep container tightly
 closed when not in use. Harmful if swallowed or absorbed through
 skin! Causes skin irritation! Do not breathe vapor or spray mist. Do
 not get in eyes, on skin or on clothing. Wash thoroughly after
 handling. Wear rubber gloves and protective clothing when handling
 the freshly treated lumber. Vapors will cause injury if adequate
 ventilation is not insured. Do not apply this product indoors or in
 any other confined areas where the vapors may concentrate and
 cause injury to plant or animal life.

**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN
 FLAME.**
