	Total — 100.00%

Trade Mark Reg. U.S. Patent Office

CAUTION: Keep Out of the Reach of Children. See additional cautions on this label.

FASCO Nu-Tri-Cop is a very fine particle size Neutral Copper Tri-Basic Copper Sulphate form. Special wetting, spreading and adhesive agents have been added.

DIRECTIONS

Use contrary to these directions may cause serious plant, crop or personal injury, excessive residues, unsatisfactory control or other unintended consequences.

FOR SMALL AMOUNTS — One level measuring tablespoonful per gallon is equal to 1 1/2 pounds per 100 gallons of spray.

TOMATOES PEPPER POTATOES — Against Early and Late Blight of Potatoes and Tomatoes, Bacterial Spot of Tomatoes and Peppers, Septoria Leaf Spot of Tomatoes, and against Frog-eye Spot on Peppers use 5 pounds per 100 gallons of spray. Begin spraying when diseases appear. Repeat every 3 to 7 days as needed.

CUCURBITS — Cucumbers, Watermelons, Cantaloupes, Squash — Against Downy Mildew use 5 pounds per 100 gallons of spray every 5 to 10 days as needed. Begin spraying at first sign of disease.

CELERY — Against Early Blight use 5 pounds per 100 gallons of spray every 5 to 10 days as needed. Begin spraying at first sign of disease.

CITRUS — Use 1 1/2 pounds per 100 gallons spray solution in Petal Fall or Post-Bloom application against Citrus Red and Yellow. For dormant application against Scab use 3 lbs. per each 100 gallons of spray. FASCO Nu-Tri-Cop contains defoliant and a necessary spreader-sticker. It is compatible with oil sprays used on Citrus. The use of Copper and oil combinations should be avoided after the fruit has attained a size of 1 1/2 inch in diameter and when the temperature is excessively high.

CAUTION

Harmful if swallowed. If taken internally, induce vomiting by giving mustard and water and holding the throat. Give large doses of magnesium citrate water, followed with doses of Epsom Salts. Avoid inhalation of dust.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed. The manufacturer makes no warranties, expressed or implied, concerning this product or its use which extend beyond the description on the label. Read all directions carefully.
