ENDURO® Neutral C-Z-S 15

Product
No. 20-754601

FASCO ENDURO Neutral C-Z-S 15, is a formulation of neutral copper, neutral zinc, and sulphur, containing blood albumen as special sticker. It is for use on citrus against Scab, Melanose, Rust Mite, and to supply maintenance nutritional requirements of Zinc and Copper.

DIRECTIONS

Use contrary to these directions may cause serious plant or crop injury, excessive residues, unsatisfactory control or other unintended consequences.

CITRUS — Use 12 to 15 lbs. to 100 gallons of water. Sift into tank when one-half to two-thirds filled with water. Be sure to have agitator running while filling to insure adequate mixing.

Post Bloom Spray — against Scab, Melanose, and Rust Mite apply one to two weeks after petal fall. Spray thoroughly to cover all twig and leaf area, being particularly careful to cover the topmost parts of trees.

Dormant — Against Scab on citrus — Apply just before flush of growth appears, usually late January or early February. When infestation is severe use this product at rate of 20 lbs. to 100 gallons of water.

CAUTION

Sulphur may burn foliage when temperature is high. Do not make sulphur applications at such time. Harmful if swallowed. Induce vomiting by giving mustard and water and tickling the throat. Give large doses of magnesia or lime water. Follow with strong dose of Epsom Salts.

DANGER TO FISH AND WILDLIFE

This product is toxic to fish. Keep out of lakes, streams and ponds. Do not apply when weather conditions favor drift of this product from areas treated. Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning. (Keep out of smoke).

CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed. The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
