FOR ECONOMIC POISON REGISTRATION  
ED UNDER NO. 2342-557  
TO ATTACHED CONSTRUCTION

2342-557

FASCO HEPTA-3 EC is an emulsifiable insecticidal concentrate containing 3 pounds actual Heptachlor per gallon.

**DIRECTIONS**

Use contrary to these directions may cause serious plant, crop or personal injury, excessive residues, unsatisfactory control or other unintended consequences.

**TERMITES (Use by Structural Pest Control Operators)** Add 1 gallon of FASCO HEPTA-3 EC to 72 gallons of water (0.5% emulsion). Apply the 0.5 emulsion as follows:

**Slab-Type Construction**

(a) Apply 1 gallon per 10 square feet as an overall pre-construction treatment under the slab and along attached porches or entrance platforms.

(b) Apply 2 gallons per 5 lineal feet to critical areas under the slab as pre-construction treatment, such as along the inside of the foundation walls and around utility entrances and interior partition foundation walls.

**Building with Crawl Spaces**

(a) Apply 2 gallons per 5 lineal feet in a trench along the outside of foundation walls, including entrance platforms and porches where the foundation is not more than 15-18 inches deep. If over 15-18 inches deep but not more than 30 inches, apply 4 gallons per 5 lineal feet. Do not go deeper than the top of the footing.

(b) Apply 2 gallons per 5 lineal feet as a trenching application to critical areas under the house, such as along the inside of foundation walls and around piers and utility entrances. If trench is deeper than 15-18 inches but not over 30 inches, apply 4 gallons per 5 lineal feet. Do not go deeper than the top of the footing.

(c) Apply 1 gallon per 10 square feet of soil surface as a pre-construction treatment where the attached porches, entrance platforms, utility entrances, etc., have covering slab on fill of ground.

(d) Apply 1 gallon per 5 lineal feet of wall to voids in hollow masonry units of the foundation.

**Buildings with Basements**

(a) Apply 1 gallon per 10 square feet as an overall preconstruction treatment under the basement flooring, attached porches, entrance platforms, utility entrances, and similar situations where slab fill is at ground level.

(b) Apply 2 gallons per 5 lineal feet in a trench along the outside of foundation walls, including entrance platforms and porches where the foundation is not more than 15-18 inches deep. If over 15-18 inches deep but not over 30 inches, apply 4 gallons per 5 lineal feet. Do not go deeper than the top of the footing.

(c) Apply 2 gallons per 5 lineal feet as a trenching application

## DIRECTIONS (Continued)

to critical areas under the house, such as along the inside of foundation walls, porches, entrances, and piers. If trench is deeper than 15-18 inches deep but not over 30 inches, apply 4 gallons per 5 lineal feet. Do not go deeper than the top of the footing.

(d) Treat all voids in hollow masonry units of the foundation at the rate of 1 gallon per 5 lineal feet of wall.

**MIXING INSTRUCTIONS** — For best results premix all concentrates with an equal amount of water before pouring into the sprayer tank. Mix well in the tank by stirring or by circulating with the pump. Agitate until a uniform white milky emulsion forms.

**NOTE:** The U. S. Food and Drug Administration has set tolerances for pesticide residues. Crops having residues in excess of their permitted tolerances should not be marketed and to do so may violate State law and will violate Federal law when sold in interstate commerce. Such crops should not be marketed without removal of such excess residues.

## WARNING

May be fatal if swallowed. Do not breathe vapor, dust, or spray mist. Do not get on skin. In case of contact wash immediately with soap and water. Do not contaminate feed or foodstuffs.

## DANGER TO FISH AND WILDLIFE

This product is toxic to fish, birds, and other wildlife.

Keep out of lakes, streams, or ponds.

Do not apply where runoff is likely to occur.

Do not apply when weather conditions favor drift from areas treated.

Do not contaminate water by cleaning of equipment, or disposal of wastes.

Apply this product only as specified on this label.

## CONTAINER DISPOSAL

Do not reuse empty drum. Destroy by perforating or crushing and burying in a safe place.

## ANTIDOTE

**External** — In case of spillage on skin, wash promptly, with soap and water. **Internal** — Emetic of 1 tablespoonful mustard in tumbler of water. Call a physician.

## CONDITIONS OF SALE

All statements concerning the use of this product apply only when used as directed.

The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
